THE LIVER INVIGORATOR PREPARED BY DR. SANFORD.

Compounded entirely from GUMS,
IS ONE OF THE BEST PURGATIVE AND
LIVER MEDICINES now before the public,
that acts as a Cuthartic, easier, milder, and more
effectual than any other medicine known. It is not
only a Cathartic, but a Liver remedy, acting first
on the Liver to eject its morbid matter, then on the
stomach and bowels to carry off that matter, than
accomplishing two purposes effectually, without
any of the painful feelings experienced in the operations of most Cathartics: If strengthens the
system at the same time that it purpose ity and
when taken daily in moderate dosses, will strengthen and build it up with unusual repidity.

The Liver is one of the principal regulators of
the human body, and when it performs its functions
well the powers of the system are fally developed.
The stomach is almost entirely dependent on the
healthy action of the Liver for the princip performiance of its functions. When the stomach is at

PROF. O. J. Wood-Dear Sir; I have heard much tive, but having been so often che'ded by quackery and quack nostrums, hair dyes, &c. I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color. stored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to Alcinda W. Dollar is largely because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recomend its use by all who would have their hair restored from white or gray. (by reason of sickness or age,) to original color and beauty, and by all, young persons who would have their hair beautiful and glossy. Very truly and gratefully yours,

SOLOMON MANN

FRIEND WOOD; It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in for which you gave me an orner upon your agent in Detroit, and when I got it we concluded to tryit on Mrs. Mann's hair, as the surest test of its power.

It has done all that you assured me it would do and others of my family and friends, having with the comment of the sure of the and others of my raining and recommend-nessed its effects, are now using and recommend-ing its use to others as entitled to the highest con-sideration you claim for it. Again, very respectfully and stuly, yours, SOLOMON MANN.

CARLYLE, ILL, June 28, 1854. I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and, I have no doubt, permanently
