And the said act of Assembly, entitled "an act relating to elections of this Commowealth," passed July 3, 1839, further provides as follows, to wit:

"That the inspectors and judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before eight o'clock in the morning of the 2d Tuesday of October, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district.

"No person shall be permitted to vote, at any election as aforesaid, than a white freeman of the age of twenty one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote ten days immediately preceding such election and within two years paid a State or county tax which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes, aforesaid, shall be entitled to vote after residing in this State six months: Provided, That the white freemen, citizens of the United States between the ages of twenty-one and twenty-two years, who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

"If any person or persons shall make any bet or wager upon the result of any election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

DR. W. H. WHITMOR,

OF Lancaster City, late of Philadelphia, where he has been in successful practice for a number of years, received his education at the best Medical College in the United States, and had the experience and practice in the different Hospitals for several years, a member of the Analytical Medical Institute of New York, and late Surgeon of the United States Navy, now offers himself to the public to attend any professional calls.

The purest medicines always on hand direct from the best Laboratories of our country, and the Botanical Gardens of the world. No patent medicine prescribed or recommended. Medicines used only which will not break down the constitution, but will renovate the system from all injuries it has sustained from mineral medicines. Chronic and difficult diseases must be treated upon analytical principles, which is to know and ascertain what disease is. Its nature and character require a knowledge of the chemical constituents of every solid and fluid of the human body; the changes those solids and fluids are capable of undergoing. To know what medicines to employ to cure diseases, requires a knowledge of the chemical constituents of all agents employed in medicine; and if we are in possession of this knowledge, it is possible to cure any disease—no matter of how long standing—and leave the patient in a healthy and perfectly cured condition.

Melancholy, Aberration, or that state of alienation and weakness of the mind which renders persons incapable of enjoying the pleasures of performing the duties of life; Dyspepsia; that distressing disease and fell destroyer of health and happiness, undermining the constitution, and yearly carrying thousands to untimely graves, can most emphatically be cured. Rheumatism, in any form or condition, chronic or acute, warranted curable; Epilepsy or falling sickness; all chronic and stubborn cases of Female Diseases radically removed; Salt Rheum, and every description of ulcerations; Piles and Scrofulous Diseases, which have baffled all previous medical skill can be cured by my treatment, when the constitution is not exhausted.

I do say all diseases (yes, *Consumption*) can be cured.

☞ *Cancer cured without the knife.*

I will remain in my office on WEDNESDAYS and SATURDAYS, from 9 o'clock A. M., to accommodate patients from a distance, and consult in the English and German languages. Will make visits to any distance if required. May be addressed by letter, Fulton Square, Lancaster city, Pa.

☞ TO INVALIDS. ☜

Dr. Hardman, Analytical Physician.

Physician for diseases of the Lungs, Throat and Heart, formerly Physician to the

CINCINNATI MARINE HOSPITAL, also to INVALIDS RETREAT.

Author of "Letters to Invalids," Editor of the "Medical Stethyscope," &c.,

Dr. Hardman treats Consumption, Bronchitis, Asthma, Larryngittis, and all diseases of the throat and lungs, by medical Inhalation, lately used in the Bromton Hospital, London. The great point in the treatment of all human maladies is to get at the disease in the direct manner. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased we take medicine directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into the lungs. Medicines are the antidotes to disease and should be applied to the very seat of disease. Inhalation is the application of this principle to the treatment of the lungs, for it gives us direct access to those intricate air cells and tubes which lie out of reach of every other means of administering medicines.—The reason that consumption, and other diseases of the lungs, have heretofore resisted all treatment has been because they had never been approached in a direct manner by medicine. They were intended to act upon the lungs and yet were applied to the stomach. Their action was intended to be local, and yet they were so administered that they should act constitutionally, exending immediate and principal action upon the unoffending stomach, whilst the foul ulcers within the lungs were unmolested. Inhalation brings the medicine in direct contact with the disease, without the disadvantage of any violent action. Its application is so simple that it can be employed by the youngest infant or feeblest invalid. It does not derange the stomach, or interfere in the least degree with the strength, comfort, or business of the patient.

OTHER DISEASES TREATED.—In relation to the following seases, either when complicated with lung affections or existing alone, I also invite consultation. I usually find them promptly curable.

Prolapsis—and all other forms of female complaints, irregularities, and weakness.

Palpitation and other forms of Heart Disease, Liver Complaint, Dyspepsia, and all other diseases of stomach and bowels, &c.

All diseases of the eye and ear. Neuralgia, Epilepsy, and all forms of nervous disease. No charge for consultation.

THE LIVER INVIGORATOR
PREPARED BY DR. SANFORD.

Compounded entirely from GUMS

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a *Cathartic*, easier, milder, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at ault, the bowels are at fault, and the whole system suffers in consequence of one organ—the *Liver*—having ceased to do its duty. For the disease of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

These gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure.

Bilious attacks are cured, and, what is better, prevented by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two tea-spoonsful will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

One dose taken often will prevent the recurrance of bilious attacks while it relieves all painful feelings.

☞ Only one bottle is needed to throw out of the system the effects of mecine after long sickness.

One bottle taken for Jaundice removes all yeslowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no safer or speedier remedy in the world, as it *never fails*.

A few bottles cures Dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor. ☞Mix Water in the Mouth with the Invigorator, and swallow both together.

SANFORD'S LIVER INVIGORATOR

The Liver Invigorator

Is a great scientific Medical Discovery, and is daily working cures almost too great to believe. It cures as it by magic, *even the first dose giving benefit* and seldom more than one bottle is required to cure any kind of *Liver* Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a *Diseased Liver.*

A BEAUTIFUL HEAD
OF
RICH GLOSSY HAIR,
Completely Preserved
TO THE GREATEST AGE.

And who that is gray would not have it restored to former color or bald but would have the growth restored, or troubled with dandruff and itching but would have it removed, or troubled with scrofula, scald head, or other eruptions, but would be cured, or with sick head ache, (neuralgia) but would be cured. It will also remove all pimples from the face and skin. Prof. Wood's Hair Restorative will do all this, see circular and the following.

ANN ARBOR, November 5, 1856

PROF. O. J. WOOD—Dear Sir; I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c. I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recomend its use by all who would have their hair restored from white or gray (by reason of sickness or age,) to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,

SOLOMON MANN

FRIEND WOOD; It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs. Mann's hair, as the surest test of its power.—It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again, very respectfully and truly, yours,

SOLOMON MANN.

CARLYLE, ILL, June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and, I have no doubt, permanently so.
