BEDFORD INQUIRER.

Another Police Officer Murdered.

In the month of September last Police Officer Benton was murdered in the Western Section of Baltimore City, whilst he was taking two men to the Western Station house, whom he had arrested for riotous conduct at a low dance house. The murder was charged upon a man named Henry Gambrill, who was seen to shoot Benton by officer Rigdon who was assisting the latter. Last week Gambrill was tried and convicted of murder in the first degree, and as Officer Rigdon was principal witness against him, threats were made against him, by the friends of Gambrill. On Friday evening, a few hours after Gambrill had been convicted, officer Rigdon proceeded to his home in West Baltimore, a few doors west of Pearl street, and whilst talking with his wife in the sitting room, with an adopted child playing about his feet, he was fired at through a back window with a horse pistol. The load, consisting of five slugs, entered his side, and with the exclamation 'I am shot,' fell dead at his wife's feet.

Officer John Cook, being on the opposite side of the street, heard the report of the pistol, and immediately ran across. As he approached Rigdon's house, he saw a man run out of an alley, whom he at once pursued, and who turned and fired several shots at him which the officer returned but without effect. The chase continued for several squares, when the officer finally overtook the man, knocked him down and arrested him. It proved to be a man named Peter Corric, a butcher, and when taken before the Mayor he made a full confession of his participation in the murder. He said he did not shoot Rigdon, but he stood at the corner of the alley while a man named Marrion Cropps committed the deed. Cropps was afterwards arrested, and both were committed for trial.—This horrid murder created intense excitement in Baltimore, but the prompt arrest of the perpetrators by Mayor Swann's efficient Police has eased the public mind, and extorted expressions of approbration from their worst foes.

A few weeks since the Buchanan papers read Hickman, Schwartz, Montgomery, Haskin, Clark, and all the anti Lecomptonites out of the Democratic party. Now that the House of Representatives is doubtful, these gentlemen are again classified among the faithful.

New Jersey, which sustained Mr. Buchanan in 1856, now gives 8,148 majority in the anti-Lecompton Democratic and Opposition Congressional tickets, against him.

Governor Packer has commissioned John M. Read Judge of the Suprrme Court, for fifteen years from the first Monday in December next.

TO INVALIDS.

Dr. Hardman, Analytical Physician

Physician for diseases of the Lungs, Throat and Heart, formerly Physician to the

CINCINNATI MARINE HOSPITAL, also to INVALIDS RETREAT.

Author of "Letters to Invalids," Editor of the "Medical Stethyscope," &c.,

NOVEMBER APPOINTMENT.

BEDFORD, "WASHINGTON HOUSE," SATURDAY NOVEMBER 20TH. 1858.

Dr. Hardman treats Consumption, Bronchitis Asthma, Larryngittis, and all diseases of the throat and lungs, by medical Inhalation, lately used in the Bromton Hospital, London. The great point in the treatment of all human maladies is to get at the disease in the direct manner. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased we take medicine directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into the lungs. Medicines are the antidotes to disease and should be applied to the very seat of disease. Inhalation is the application of this principle to the treatment of the lungs, for it gives us direct access to those intricate air cells and tubes which lie out of reach of every other means of administering medicines.—The reason that consumption, and other diseases of the lungs, have heretofore resisted all treatment has been because they had never been approached in a direct manner by medicine. They were intended to act upon the lungs and yet were applied to the stomach. Their action was intended to be local, and yet they were so administered that they should act constitutionally, exending immediate and principal action upon the unoffending stomach, whilst the foul ulcers within the lungs were unmolested. Inhalation brings the medicine in direct contact with the disease, without the disadvantage of any violent action. Its application is so simple that it can be employed by the youngest infant or feeblest invalid. It does not derange the stomach, or interfere in the least degree with the strength, comfort, or business of the patient.

OTHER DISEASES TREATED.—In relation to the following diseases, either when complicated with lung affections or existing alone, I also invite consultation. I usually find them promptly curable.

Prolapsus and all other forms of female complaints, irregularities, and weakness.

Palpitation and other forms of Heart Disease. Liver Complaint, Dyspepsia, and all other diseases of stomach and bowels, &c.

All diseases of the eye and ear. Neuralgia, Epilepsy, and all forms of nervous disease. No charge for consultation.

(the 6 dozen you forwarded all being sold,) while we might order a quantity from you. *Every bottle we have sold seems to have produced three new customers* and the approbation, and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convince us that it is A MOST VALUABLE PREPARATION.

DANIEL LATHORP & Co.

PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but to our surprise, and that of all our friends a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are, yours respectfully,

PROF. O. J. WOOD—Dear Sir; I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My Hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.

Yours Respectfully,

DR. W. H. WHITMOR,

OF Lancaster City, late of Philadelphia, where he has been in successful practice for a number of years, received his education at the best Medical College in the United States, and had the experience and practice in the different Hospitals for several years, a member of the Analytical Medical Institute of New York, and late Surgeon of the United States Navy, now offers himself to the public to attend any professional calls.

The purest medicines always on hand direct from the best Laboratories of our country, and the Botanical Gardens of the world. No patent medicine prescribed or recommended. Medicines used only which will not break down the constitution, but will renovate the system from all injuries it has sustained from mineral medicines. Chronic and difficult diseases must be treated upon analytical principles, which is to know and ascertain what disease is. Its nature and character require a knowledge of the chemical constituents of every solid and fluid of the human body; the changes those solids and fluids are capable of undergoing. To know what medicines to employ to cure diseases, requires a knowledge of the chemical constituents of all agents employed in medicine; and if we are in possession of this knowledge, it is possible to cure any disease—no matter of how long standing—and leave the patient in a healthy and perfectly cured condition.

Melancholy, Aberration, or that state of alienation and weakness of the mind which renders persons incapable of enjoying the pleasures of performing the duties of life; Dyspepsia; that distressing disease and fell destroyer of health and happiness, undermining the constitution, and yearly carrying thousands to untimely graves, can most emphatically be cured. Rheumatism, in any form or condition, chronic or acute, warranted curable; Epilepsy or falling sickness; all chronic and stubborn cases of Female Diseases radically removed; Salt Rheum, and every description of ulcerations; Piles and Scrofulous Diseases, which have baffled all previous medical skill can be cured by my treatment, when the constitution is not exhausted.

I do say all diseases (yes, *Consumption*) can be cured.

☞ *Cancer cured without the knife.*

I will remain in my office on WEDNESDAYS and SATURDAYS, from 9 o'clock A. M., to accommodate patients from a distance, and consult in the English and German languages. Will make visits to any distance if required. May be addressed by letter, Fulton Square, Lancaster city, Pa.

THE LIVER INVIGORATOR,

PREPARED BY DR. SANFORD.

Compounded entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a *Cathartic*, earlier, milder, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the *Liver*—having ceased to do its duty. For the disease of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

These gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the weak machinery, removing the causes of the disease, and effecting a radical cure.

Bilious attacks are cured, and, what is better, prevented by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

One dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞One dose of two tea-spoonsful will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

One dose taken often will prevent the recurrence of bilious attacks while it relieves all painful feelings.

☞Only one bottle is needed to throw out of the system the effects of medicine after long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no safer or speedier remedy in the world, as it *never fails*.

A few bottles cures Dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor. ☞Mix Water in the Mouth with the Invigorator, and swallow both together.

The Liver Invigorator

Is a great scientific Medical Discovery, and is daily working cures almost too great to believe. It cures as it by magic, *even the first dose giving benefit* and seldom more than one bottle is required to cure any kind of *Liver* Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a *Diseased Liver.*
