HOME JOURNAL, 1859. NEW SERIES-NEW ATTTACTIONS-NEW

WRITERS.

MORRIS AND WILLIS, EDITORS,

A new Series of this widely-circulated family ewspaper, will commenced on the first day of Jan-eary next- printed on the paper and new type. With the January number will begin the publi-cation of a series of Berniffut.

Original Works of Facis and Fiction, written expressly for the Home Journal, by the

AUTHORS OF AMERICA. The first of these is from the pen of a gifted wel-ter, and is a tale of love and lacre, entitled,

WAYS TO WEDLOCK!

BY A LADY CONTREBUTOR. The scene is lain in this city during the memera-ble winter of the great fire. The incidents are nat-wral and familiar, and the characters skilfully drawn and grouped: the plot is clearly defined and well-manged, the size easy, graceful and flowing, and the de ouncement conveys a most useful lesson. It is a work of sterling march.

is a work of sterling merit.

This story will be to lowed by a "Tale of the South," and one of startling inter st, by an emiant Southern author, called

THE AVENGER!

This production is ertirely American in construction, plot, incident, dialogue, acene, tone, conclusion. It could not have been true of any other country, and possesses attractions of a peculiar nature for those "to the manor born." It is spice-ality—a bonn: benche of remarkable value. The third on this attractive agrics of American

THE YOUNG WIFE'S DIARY.

BY A DAUNHTER OF THE WEST.

It contains the whole history of womans's trials, and will be read with the deepest feeling by all clas-These charming stori s will be succeeded by others of a similar description, several of which are

All the former peculiar features of this paper, which have it a world-wide reputation, will be continued, while the several new ones will give an infinite variety to its ever diversified pages. Among them are a number of fresh, spicy, amusing,

Original Comic Stories,

which smack and relish of the wit, humor, raciness,

which smack and relish of the wir, number, reciness, brilliancy, and sparkle of the times.

As heretotore, no labor nor expense will be spared to maintain the high reput tion of the Home Journal, which is everywhere, both at home and abroad, acknow edged to be the most refined and clegant repertory of Literature and the Arts on this side of the sea, and the

Best and Chea pest Family Newspaper IN THE WORLD.

As no more copies of the new series will be printed than are ordered, those who desire to begin with the commencement of the volume will be able to do so by forwarding their subscriptions without de-

INVALIDS RETREAT

Bedford, Washington House, Wednesday, Dec. 22d. Somerset, Glade House, Dec. 20

Cumberland, Dec. 17. Johnstown, Dec. 24.

(Mardman trewats Consumption, Bronchitis Asthma, L'aryngittis, and all diseases of the throat and lungs, by medical lubalation, lately used in the Bromton Hospital, London. The great point in the treatment of all immanimalaties is to get at the disease in the direct manner. All medicines are estimated by their action upon the organ regulation about This is done. quiring reheft. This is the important fact upon which Inhalation is based. If the stomach is diseased we take medical freelly into the stument if the large are diseased, breath or inhite medicated vapors directly into the lungs. Me icines are the antidotes to disease and should be applied to the very seat of disease. Inhalation is the application of this principle to the treatment of thurse, for it gives us direct access to those intreatment eater air cells and tubes which lie out of reach. every other means of administering medicines. The reason that consumption, and other disease of the lungs, have heretofore resisted all treatme has been because they had never been approachin a direct manner by medicine. They were intended to act upon the lungs and yet were applied to the stomach. Their action was intended to be lothe stomach. Their action was intended to be lo-cal, and yet they were so administered that they should act constitutionally, exending immediate and principal action upon the unoffending stemach, whilst the foul ulcers within the lungs were unmowhist the food dicers within the lungs were unmo-lested. Inhalation brings the medicine in direct contact with the disease, without the disadvantage of any violent action. Its application is so sim-ple that it can be employed by the youngest infant or feeblest invalid. It does not derange the sto-mach, or interfere in the least degree with the

Rheumatism, in any form or condition, cironic or scute, warranted curable; Epilepsy or failing sickness; all chronic and stubborn cases of Fomaie Diseases radically removed; Salt Rheum, and every description of ulcerations; Piles and Scrotulous Diseases, which have buffled all previous needical skill can be cared by my treatment, when the constitution is not exhausted.

the constitution is not exhausted.

I do say all diseases (yes, Consumption) can be Cared.

If Concer cured without the knife.

I will remain in my office on Wednesdays and Saturdays, from 9 offices, A. M., to accommodate patients from a distance, and con ult in the English and German languages. Will make visits to any distance if required. May be addressed by letter, Fulton Square, Lancaster city, Pa. Fulton Square, Lancaster city, Pa.

PREPARED BY DR. SANFORD.

Compounded entirely from GUMS,

July 30, 1858-19.

Compounded entirely from GUMS, SONE OF THE BFST PURGATIVE AND LIVER MEDIGINES now before the public, that acts as a Cathartic, cavier, wilder, and more effectual than any other medicine known. It is not only a Cathartic, but a Irrer remedy, acting first on the Liver to eject its morbid matter, then on the somach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human hody, and when it performs its functions well the powers of the system are fully developed.

well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper perform ance of its functions. When the stemach is at fault, the bowels are at fault, and the whole system having ceased to do its daty. For the disease of that organ, one of the proprietors has made it his study, in a practice of more than inventy years, to

find some remedy wherewith to counteract the ma-ny derangements to which it is listile. To move that this re- medy is at last found, any person troubled with Liver Compilaint

any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

These gums remove all morbid or bad matter from the system, as healthy flow of bile. As a healthy flow of bile, and invigorating the stammach, causing food to dishlood, giving tone and machinery, removing the causes of the discusse, and effecting a redicted cure.

Bilious attacks and cured, and what is but.

Only one dose taken at night loosers the bowels gently, and cores one dose taken after cach mest will cure Dyspepsia.

Dyspepsia.

Dyspepsia.

Dyspepsia. tes-spoonsful will always relieve Sick HeadOne bottl: taken for female obstruction removes the cause of the disease, and makes a
perf et cure. Only one dose imme adiately relisses Cholie,

One dose often repeared tells a sure constitution of the control o painful feenings.

BFOuly one bottle is needed to threw out of the system the effects of medicine after long

sickness.

One bottle taken for Jaundice removes all yel lowness or unnatural color from the skin.

One dose taken a short time before eating give vigor to the appente and makes find digest well.

One dose often repeated cures Chronic Diarrhes in its worst forms, while summer and howel come plaints yield almost to the first doses. Dutins yield almost to the first dose,

One or two doses cures stacks caused by worms,
while for worms in children, there is no asfer or
speedier remedy in the world, as it naver fails.

A few bottles cures Dropsy, by exciting the abwe take pleasure in recommending this medi-cine as a preventive for Fever and Ague, Chill Fe-ver, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify

with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor. Of Mix Water in the Mouth with the Invigorator, and swallow both tegether.

The Liver Invigorator
Is a great scientific Medical Discovery, and is daily working cures almost toe great to believe. It cures as it by magic, even the first dose giving benefit and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a Discased Liver.
