THE LIVER INVEGRATOR,
PREPARED BY PR. SANFORD.
Compounded entirety from GUMS. Compounded entirety from GUMS, IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a Cathartic, eatier, milder, and more effectual than any other medicine known. It is not early a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the semach and howels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cethartics. It strengthens the system at the same time that it purges it; and when taken deily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stemach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of our organ, the fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty. For the disease of that organ, one of the proprietors have made it his study, he a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remady is at last found, any person troubled with Liver Compilant in any of its forms, have conviction is certain.
