EFGLORIOUS TRIUMPHANT!

Sworn statement of David McCreary, of Napler ownship, Bedford county: In April, 1856, as near as I can remember, a small pimple made its appearance on my upper lip, which soon became enlarged and sore. I used politices of sorrel, and a wash of blue vitriol, without effect. Finding the sore extending, I called or out effect. Finding the sore extending, I called on Dr. Ely, of Schellsburg, who pronuunced it CAN-CER, and proscribed a wash of sugar of lead and bread poulrices. pronounced myself cured.

The tetter broke out, something over a year ago, on the inside of my arms, extending from the clows down to the wrists; also, on my face, immediately round the mouth and ciin, and continued mediately round the mouth and ciin, and continued to be a perfect torment to me until cured by the Blood Scarcher. My arms, were almost usseless, owing to the cracks and sores on them, liable to bleed at any time on the least exertion to lift or work, and sometimes so itchy that I could scarcely prevent tearing off my flesh. I have now been cured six weeks and feel it due to Mr. Lindsey, and to the public generally, to make this statement, in hope that others like myself may be benefitted by using his valuable medicine.
