KENTUCKY.—The delegation to the next Congress from Kentucky is now corrected, as compared with the last Congress, as follows:—We reprint the table, because of an error in our District:

The Republicans of Iowa have discovered a secret Democratic circular, emanating from Washington, and containing the result of a tabulation of the vote of the State in 1856, the object of which is to show just what counties the Democracy were weakest in which could be best colonized. It is then coldly proposed to colonize the out counties with imported Locofoco voters, and for this purpose it appears that authorities in Washington are co-operating with the Democratic State committee for raising a large corruption fund. The circular is signed by G. Donnellan (not B. Donnelly) of Washington City.

The Black Republican press universally, are insisting that the slavery question shall be the political issue of the Presidential canvass of 1860, and that this alone shall be the basis of their party—Reading Democrat.

And the Democracy are deterred upon the same thing. If Black Republicans and sham Democrats can control political affairs, we shall have nothing in the field but two sides of "the everlasting nigger."

What is it but different phases of the slavery question, that makes the quarrel between the Buchanan and Douglas factions of the Democratic party.—Daily News.

PURCHASE OF STATE STOCK.—We understand that the bids for the sale of two hundred and fifty thousand dollars of the five per cent. MARRIED.

On the 21st inst. near St. Clairsville, by the Rev. N. E. Gilds, Mr. PETER SMITH to Miss HANNAH MACREARY, both of this County.

DIED.

On the 14th ult., Mrs. Mary Hoffman, consort of the Rev. C. F. Hoffman, of Friend's Cove, aged 56 years, 8 months and 21 days.

Truly, in our afflictions and bereavements, the ways of a righteous Providence often seem dark and mysterious to us. That the prudent, the wise, the good, the pious should sometimes be laid under such contributions of affliction, seems hard to understand; but as the prudent husbandman prunes the vine to make it bring forth more fruit and to a higher degree of perfection also, so our Heavenly Father designs that all things shall work together for the good of his people and the glory of his name; whether it be prosperity, or adversity, health or sickness, life or death. This reflection strengthens the faith and comforts the hearts of Christians, when the dark clouds of affliction seem to shut out all the bright sunshine of happiness in the family.

But the removal of this dear Sister, to a higher and happier world, has spread a gloom, extending itself far beyond the limits of the family; for there are many more than the bereaved husband and children, who mourn her departure; the sad countenances and the many tearful eyes upon the day of her funeral, plainly told how deeply her affections were engraven upon the hearts of the vast multitude present upon the occasion.

Her meekness and her sincere piety won the highest esteem of all her acquaintances; her loss to that community cannot easily be repaired and will be felt for many days. But her good example, her pious life and the recollection of her many virtues, will be a never-failing source of comfort to all her mourning friends and relations.

"Blessed are the dead which in the Lord." At Yellow Creek, on the 1st ult. in third year of her age, EMMA MANENA LONG, daughter of James P. and Mary E. Long.

Alas, how changed that lovely flower, Which bloomed and cheered my heart, Fair, fleeting comfort of an hour, How soon we're called to part!

And shalmy bleeding heart arraign, The God, whose ways are love? Or vainly cherish anxious pain, For her who rests above!

On Tuesday evening, the 16th ult., CHRISTINA, daughter of William and Elizabeth Delaney, of South Woodbury Township, Bedford County, aged 4 months and 24 days.

A VOICE FROM VIRGINIA.

CARL POINT, SURRY CO., VA. Dr. Seth S. Hance.—I was in Baltimore in April, 1854, and from a paper I received of yours was induced to buy a box of your Pills, recommended as a sovereign cure for the Epileptic Fits. At that time one of my servants had been afflicted with fits about two years. When reaching home, I commenced with the pills according to directions. I do not think she has had one since. My wife, though I am somewhat induced to believe she may have had one only. Enclosed you will find five dollars, for which you will please forward them by mail. Your compliance will oblige me. Yours respectfully, M. P. STENOZE.

Dr. Hance's Epileptic Pills are also a sovereign remedy for every indication of nervous suffering whether tormented by the acute, physical agony of neuralgia, tic douloureux, or ordinary headache, afflicted with vague terrors, weakened by periodical fits, threatened with paralysis, borne down and dispirited by that terrible lassitude which proceeds from a lack of nervous energy, or experiencing any other pain or disability arising from the punctuated condition of the wonderful machinery which connects every member with the source of sensation, motion and thought—derives immediate benefit from the use of those pills, which at once calms, invigorates, and regulates the shattered nervous organization.

Sent to any part of the country by mail, free of postage. Address SETH S. HANCE, 108 Baltimore street, Baltimore, Md. Price, one box, \$3; two, \$5; twelve, \$24. Aug. 26, 1859.

DR. M'LANE'S LIVER PILLS.

FLIMMING BROS. PROPRIETORS. This great medicine has supplanted all others for the cure of diseases of the Liver. Its effects are so salutary and speedy, and at the same time so perfectly safe, that it is not surprising it should supersede all others. Invented by a very distinguished physician of Virginia, who practiced in a region of country in which Hepatitis, or Liver Complaint, is peculiarly formidable and common, and who had spent years in discovering the ingredients and proportioning their quantities, these Pills are peculiarly adapted to every form of the disease, and never fail to alleviate the most obstinate cases of that terrible complaint. They have justly become celebrated, and the researches of Dr. M'Lane have placed his name among the benefactors of mankind. No one having symptoms of this formidable complaint should be without these invaluable Pills. Have you a pain in the right side, under the edge of the ribs, which increases with pressure—unable to lie with ease on the left side—with occasional, sometimes constant, pain under the shoulder-blade, frequently extending to the top of the shoulder? Rely upon it, that although the latter points are sometimes taken for rheumatic, they all arise from disease of the Liver; and if you would have relief, go instantly and buy a box of Dr. M'Lane's Liver Pills, prepared only by Flimming Bros. of Pittsburgh.

Physicians will be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLIMMING BROS. OF PITTSBURGH, PA. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'Lane's genuine Liver Pills, has his characters. Genuine can only be had at all respectable drug stores. None genuine without the signature of FLIMMING BROS. Aug. 26, 1859.

Do you want something to strengthen you? Do you want a good appetite? Do you want to build up your constitution? Do you want to feel well? Do you want to get rid of nervousness? Do you want energy? Do you want to sleep well? Do you want a brisk and vigorous feeling? If you do use Hoodland's German Bitters, prepared by Dr. C. M. Jackson, 418 Arch Street, Philadelphia, Pa., and sold by druggists and storekeepers throughout the United States, Canada, West Indies and South America, at 75 cents per bottle. May, 27-ly.

Joy to the Admirers of A

FINE HEAD OF RICH GLOSSY HAIR.

Talk of Beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE. I—We call the attention of all, old and young, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—restores the dormant ruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, is used as a regular dressing for the hair; will preserve its color, and keep it from falling to extreme old age, in its natural beauty. We call them upon the bald the gray, or discolored hair, to use it; and surely the young will not, as they value the flowing locks, or the winking curl, ever without it. Its price is upon the tongue of thousands.

The agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since: DEER RIVER, CONN., July 28, 1856. Mr. Leavenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, and I was almost bald. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle for trial, and I found to my satisfaction it was the thing. It removed the scurf and my hair began to grow; it is now two or three inches in length when it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here. Yours with respect, RUFUS PRAIT.

PHILADELPHIA, Sept. 9, 1856. PROF. WOOD—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The scurf, and also the lack part of my head almost lost its covering—in fact bald. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation I can induce many others to try it. Yours respectfully, D. R. THOMAS, M. D. No. 454 Vine street.

VINCENNES, IA, June 22, 1853. PROF. O. J. WOOD: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whoever else may concern, that I have used it and know others to use it—that I have, for several years, been in the habit of using other Hair Restorative, and that I find yours vastly superior to any other I know—it entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this, without discoloring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair. Respectfully yours, WILSON KING.
