The following is a copy of the anonymous letter sent to the Hon. Secretary of War, from Cincinnati, some two months since, and which affords a clue to the mystery of the insurrection at Harper's Ferry.

CINCINNATI, August 20. SIR: -I have lately received information in of a movement of so great importance that I c feel it to be my duty to impart it to you with-

"I have discovered the existence of a secret association, having for its object the liberation of the slaves of the South by a general insurrection. The leader of the movement is "Old John Brown," late of Kansas. He has been in Canada during the winter, drilling the negroes there, and they are only waiting his word to start for the South to assist the slaves. They have one of their leading min (a white man) in an armory in Maryland; where it is situated I am not able to learn.

As soon as everything is ready, those of their number who are in the Northern States and Canada are to come in small companies to their rendezvous, which is in the Mountains of Virginia. They will pass down through Pennsylvania and Maryland, and enter Virginia at Harper's Ferry. Brown left the North about Harper's Ferry. Brown left the North about three or four weeks ago, and will arm the negroes and strike a blow in a few weeks, so that whatever is done must be done at once. They have a large quantity of arms at their rendezvous; and are probably distributing them already. I am not fully in their confidence. This is all the information I can give you.
