MEDICAL IMPOSSIBILITIES.

For a long time a certain class of diseases have baffled the skill and practice of the most eminent members of the regular medical faculty. Foremost among these we might instance epilepsy or falling fits. Happily now by the skill an linventive genius of an eminent chemist of Baltimore, Md., this disease has been brought within the means of a way allude to the preparation called the cure. We allude to the preparation called the Vegetable Extract Epileptic Pills, invented and prepared by Dr. Seth S. Hande, 103 Baltimore street, Baltimore, Md. Since their discovery many persons who had given up all hope of ever being cured, have been restored to the full enjoyment of bealth. Prominent among these was night converted. health. Prominent among these we might enumerate Mr. Harrison Lightfoot, of Huntsville, Alabama. Mr L. has suffered as much from Epilepsy, bama. Mr L. has suffered as much from Epilepsy, as any other person in the world: never knowing what it was to pass a week without having an attack, and often falling in the streets of Huntsville. He is now fully restored and has not had an attack for more than a year. Dr. Hance's Pills have been the sure cause of this cure. These pills also cure all modifications of Fits, Spasms, Cramps &c., and are very serviceable for persons of weak nerves. Dr. Hance, sends them to any part of the country on the receipt of a remittance. Price, one box, \$3; two boxes \$5; twelve boxes \$24. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md.

Mother has not been troubled with the sick headache since she has commenced taking these Pills, and as we have but few of them left, you will please send us another dollar's worth. Direct as before, to

We wish to be plain with those who are in arrears with us. We want money badly-never were more needy. We are not able to pay our paper bills, hands, &c. We owe several hundred dollars which falls due in a short time. Many of our subscribers owe us from one to ten years subscription, and some for advertising and job work. The bills seperately, do not amount to much, and could be easily paid, but collectively they would be considerable to us. Now, that the crops have been pretty good in this county, our friends have not much exeuse for net paying. If you can't sell your wheat, rye, and corn, for the money, bring the amount of your bills in that kind of of grain, and leave it at the Poor House Mill for us .-We can make the money out of it. At all events try to settle your accounts with us by o ant week-if you can't raise enough in ney or grain to do so, at least call and pay us something. We are in earnest, and this call is intended for all who are indebted to us .-If it be not attended to by our friends we will actually have to quit business and make men seitle.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as not directions. And as they neither create.
