THE STATE CONVENTION.

A telegraphic report having been sent to New York from Philadelphia, and from there sent all over the Union, that the Opposition State Committee of Pennsylvania had issued a call for a State Convention to send delegates to an "Opposition National Convention for the whole Union," it may be as well, in advance of the issue of the eall, to state what the action of the committee was.

That action consisted in the adoption of a resolution authorizing the chairman of the State Committee to call a State Convention to meet at a time to be fixed by himself, for the purpose of nominating a candidate for Governor, choosing two Senatorial delegates to the National Convention and fixing the time and method of electing delegates thereto in the Congressional districts.

The time for holding the State Convention will be fixed, we learn, for Wednesday. Feb. 22d, 1860, and "the National Convention" to which delegates will be elected is "the National Convention" to be called by the Republican National Committee. None other was talked of in the committee. The idea was entertained, and with good foundation, that the call to be issued by the National Committee will be broad enough in its terms to include all branches of the Opposition in this State, and upon that belief the State Committee predictated its action .- Pills Gozette.

THE HARPER'S FERRY INSURGENTS-When the prisoners were taken before the Court for sentence, the negroes Copeland and Green deelined to say anything. Cook and Coppee both addressed the Court, denying that they had any knowledge of Brown's intention to seize Harper's Ferry until the Sunday previous, when they were called upon to take the oath of chedience to their commander They expected to be punished, but did not think they should be hang. Hezlett will not be tried until the May term of the Court. The negro prisoners are to be executed on the morning of the 16th of December, and the whites in the afternoon .-It is thought that Gov. Wise will respite old John Brown, and fix his day of execution on that of the others of the insurgents.

MEDICAL IMPOSSIBILITIES. For a long time a certain class of diseases have baffled the skill and practice of the most eminent members of the regular medical faculty. Foremost among these we might instance, collepsy or falling fits. Happily now by the skill an inventive genus of an eminent chemist of Baltimore, Md., this disease has been brought within the means of a Cure. We allude to the preparation called the VEGETABLE EXTRACT EPILEPTIO PILLS, invented and prepared by Dr. Serin S. Hancs, 108 Baltimore street, Biltimore, Md. Since their discovery many persons who had given up ail hope of ever being cured, have been restored to the full enjoyment of nealth. Preminent among these we might enumerate Mr. Harrison Lichtroot, of Huntsville, Alabama. Mr L. has suffered as much from Epilepsy, as any other person in the world: never knowing what it was to pass a week without having an attack, and often felling in the streets of Huutsville. He is now fully restored and has not had an attack for more than a year. Dr. Hance's Pills have been the sure cause of this cure. These pills also cure all modifications of Fits, Spasms, Cramps &c., and are very serviceable for persons of weak nerves—Dr. Hance, sends them to any part of the country on the receipt of a remittance. Price, one box. \$2; two boxes \$5; twelve boxes \$24. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md.

ANOTHER LETTER FROM TEXAS. ANOTHER LETTER FROM TEAAS.

Messrs. Fleming Brothers—Dear Sits:—There were several cases of Chilis and Fever in my mother's family at the time we received the M Lane's Liver Pills ordered in my letter of June 12th, and a few doses administered in each case preduced the desired effect, thus demonstrating the efficiency of these celebrated Pills in that disease.

Mother has not been troubled with the sick headache since she has commenced taking these Pills, SU

R is a common observation that there are more sufferers from debility, among Americans, than can be found among any other civilized nation. The reason is obvious. We take too little exercise, and forget the wants of the body in the absorbing pursuits of business. In all such cases, ordinary medicines can do little good. What is required is just such a tonic and invigorator as Dr. J. Hostetter has given to the world, in his CELEBRATED "BITTERS." The weak and nervous denizen of the counting-house, the exhausted toiler upon the shop board, and the prostrated student of the midnight lamp, have found a wonderful regenerator in the "BITTERS," and prefer it to more pretentions, the "BITTERS," and prefer it to more pretentions, at 10.20, "Incomecting with Mail Train East on Penna R. HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to discase or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfac-tion to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple pro-

rigorous action, and thus, by the simple pro-cess of strengthening nature, enable the sys-tem to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nau-sea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhæa, dysentery or flux, so generally con-

Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every directions on the bottle. For this disease every physician will recommend Bitters of some kind, then why not use an article known to be infallible? All nations have their Bitters, as a pre-ventive of disease and strengthener of the system in general; and among them all there is tem in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation ema-nated, based upon scientific experiments which have teaded to prove the value of this great preparation in the scale of medical science.

preparation in the scale of medical science.

EEVER AND AGUE.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but premote sound sleep and healthy digestion, the complaint is re-moved as speedily as is consistent with the pro-

duction of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will commend their use in all cases of weakness

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetten's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.
