#### TEACHERS' ASSOCIATIONS.

Let us, then, ke up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.—Longfill.w.

The most important consideration devolving upon the instructor of the rising generation, is the maintaining of such a discipline that will enable him to keep in advance of the requsites of the School System; if this, the most necessary of all precautions, is not strictly guarded and cared for, he, like thousands who have preceded him, will necessarily have to give way, and make room for those who are better qualified to take his position; even at this moment. there is not a community which has not within its limits some one individual, who a few years ago was considered a very excellent expounder of school texts, but now, alas! through negligence, or the want of proper attention or cultivation is left "high and dry," and those who are, perhaps, his inferiors in intellect, are his superiors in mental culture and the training which is imposed by the present system. This deplarable state of circumstances should be unbesitatingly obviated.

The State has not, in keeping with its School system, given to her many thousand teachers the timely aid of Normal Schools, but has left them to depend upon their ewn resources. scanty as they are. Thus in the absence of Normal Schools the only alternative left is the formation of Teachers' Associations, which are balculated, when properly conducted, to prove vastly beneficial to those persons who endeavor to cultivate themselves, and to infuse fresh vigor into those who otherwise would be lethargie and inactive, and by this means create an exietement upon school subjects, which is as much to be desired as any other consideration pertaining to the school system. Our county, it is said by many of our sister counties, is a hundred per centum behind the times in school affairs. I am sorry to make a reiteration of this charge, but I have to meet it so frequently, that I believe the best plan decidedly, is to let those who are interested in the noble cause of education know how they are regarded by their neighbors, which information (if they are not already acquainted with the fact) I hope will redouble their efforts in advancing the

I hope, yea, I pray that every teacher within the limits of Bedford County will make every bonorable effort so organize a Teachers' Association in his district, and endeavor, if possicle, to get up an excitement on the subject of Education and not only benefit himself, but make every effort to show the citizens of his immediate neighborhood the accessity for such an Association. Directors, in many instances, Common Schools, p. 108, clause 391, says:-"Teachers should organize and attend these Institutions, and it would be well for the Directors to specify this obligation in the contract, and ALLOW THEM A CERTAIN PORTION OF THER TIME FOR THIS PURPOSE. Teachers should devote every other Saturday to Institutes, and should have the remaining Saturdays nuts, prones, raisins, figs, almonds, filberts, coconnuts, prones, raisins, figs, almonds, filberts, coconnuts, ground nuts, pecans. ### DR. M'LANE'S CELEBRATED VERMIFUGE

# LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills.

We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.: THE VERMIFUGE,

For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms. THE LIVER PILLS.

For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of

FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors,

#### FLEMING BROTHERS, PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and com-

matien, on Tuesday the 22d day of Novembernext, at the Court House in Bedford.
