HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid action of the Stomach or Bowels, producing Gravel, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal. Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without call by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind, then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medicinal sciences.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtues of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label. Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany. Agents for Bedford County: R. F. Harry, H. C. Reamer, Bedford; John F. Lowry, Hopewell; E. B. Ramsy, Bloody Run; John Nycum, Fairview. Nov. 4, 1859.

DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills.

We do not recommend them as universal Cure-alls, but simply for what their name purports, viz: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of FEVER and AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivalled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS, PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'LANE'S Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to FLEMING BROS., Pittsburgh, Pa.

P. S. Dealers and Physicians ordering from others than Fleming Bros. will do well to write their orders distinctly, and take note that Dr. M'LANE'S, prepared by Fleming Bros., Pittsburgh, Pa. To those wishing to give them a trial, we will forward per mail, post paid, to any part of the United States, one box of Pills for twelve Common English Branches, or one trial of Vermifuge for fourteen three-cent stamps. ALL OTHER CHRONIC COMPLAINTS, including Catarrh, Heart Disease, Affection of the Liver, Dyspepsia, Gastritis, Female Complaints, &c.

Drs. FITCH & SYKES would state that their treatment of consumption is based upon the fact that the disease exists in the blood and system at large, both before and during its development in the lungs, and they therefore employ Mechanical, Hygienic and Medicinal remedies to purify the blood and strengthen the system. With these they use MEDICAL INHALATIONS, which they value highly, but only as Palliatives, (having no curative effect when used alone,) and invalids are earnestly cautioned against wasting the precious time of curability upon any treatment based upon the plausible, but false idea that the "seat of disease can be reached in a direct manner by Inhalation."

For as before stated, the seat of the disease is in the blood and its effects only in the lungs. No charge for consultation. A list of questions will be sent to those wishing to consult us by letter. March 18, 1859-1y
