Special Notice to Agents.
G. G. EVANS, having purchased the stereotype plates, ccpyright, etc., of the "Prince of the House of David," "Pillar of Fire," &c., would call the attention of agents to these truly valuable Works.

The "Prince of the House of David," is one of the most popular and best-selling books ever published. Over 180,000 copies have been sold, and it bids fair to rival the "Pilgrim's Progress," or any other similar work.

The "Pillar of Fire," by the same author, is now meeting with a rapid sale, over 90,000 copies have been sold since its publication, and as a companion to the "Prince of the House of David," every reader of that book should purchese a copy.

The "Records of the Revolutionary War," is a

book of great interest, and gives a vast amount of information relative to the Soldiers of the Revolu-tion, and is an invaluable book of reference for the descendents of its heroes and all who are interested in Pension Claims, Land Warrants, &c.

The most liberal inducements are offered to Agents, and upon addressing the publisher every informable be given.

BLOOD SEARCHER,

A STANDARD MEDICINE For the speedy, radical, and effectual cure of ALL DISEASES arising from IMPU-RITY OF THE BLOOD.

This medicine has wrought the most miraculous Scrofula,
Cataneous Diseases,
Pimples on the face,
Old, Stubborn Ulcers,
Tetter affections,
Dyspepsia,
Jaundice,
Mercurial Diseases,
Liver Complaint,
Low Spirits,
Female Complaints, and all Diseases having their
origin in an impure state of the Blood.

The above is a portrait of David McCreary, of Napier township, who, on the 31st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford County, and by Dr. Newton of the Eelectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his lip, nose, and a portion of his left cheek were entirely eaten away! He had given up all hope, when he heard of the Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Blakney, of E detton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

years.

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrotula in its worst form.

To the case of George Meisel, residing in Carrolltown Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was warned to be compared to the control of the county of the control and his case was worse, if possible, than McCrea

ry's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.
