

BEDFORD INQUIRER.

For the Inquirer.

A DIRGE.

The history of Martin Ringier, who died Jan. 31st, 1860, aged 18 years, 5 months and 10 days.

The winter wind did sadly moan; From every heart a sigh it drew.

They've laid him down low in the grave, The clouds lie lightly on his breast.

His drum is muffled—hushed its sound, No more we'll hear his loud tattoo.

The flag will flutter in the breeze, The "Black Plumes" wave still gaudily.

The guns may boom—the drums may beat, The life sound shrill and cheerily.

Then comrades drop a tear for him— He passed away at Death's command.

W. J. M. Schellsburg, Feb. 17, 1860.

M'LANE'S VERMIFUGE.

FLEMING BROS. SOLE PROPRIETORS.

No remedy ever invented has been so successful as the great worm medicine of Dr. M'Lane, prepared by Fleming Bros. of Pittsburg.

Andrew Downing, of Cranbury township, Venango county, gave his child one tea-spoonful, and it passed 177 worms.

Jonathan Houghman, of West Union, Park Co., Ia. writes that he is unable to supply the demand, as the people in his neighborhood say, after a trial of the others, that none is equal to Dr. M'Lane's Vermifuge.

Messrs. D. & J. W. Colton, of Winchester, Ind., happened last spring to get some of this Vermifuge. After selling a few bottles, the demand became so great for it that their stock was soon exhausted.

Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE manufactured by FLEMING BROS. of Pittsburg, Pa.

LINDSEY'S IMPROVED BLOOD SEARCHER.

A STANDARD MEDICINE For the speedy, radical, and effectual cure of ALL DISEASES arising from IMPURITY OF THE BLOOD.

This medicine has wrought the most miraculous cures in desperate cases of Scrofula, Cutaneous Diseases, Pimples on the face, Old Stubborn Ulcers, Sore Throat, Puffiness of the Face, Dyspepsia, Jaundice, Mercurial Diseases, Liver Complaint, Low Spirits, Female Complaints, and all Diseases having their origin in an impure state of the Blood.

Cancerous formations, Erysipelas, Boils, Sore Eyes, Scald Head, Rheumatic Disorders, Costiveness, Salt Rheum, General Debility, Loss of Appetite, Foot Stomach, and all Diseases having their origin in an impure state of the Blood.

The above is a portrait of David McCreey, of Napier township, who, on the 31st day of August, 1858, made himself ill by eating Justice Goolley's food, which was treated for the cure of Cancer by three physicians of Bedford County, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his lip, nose, and a portion of his left cheek were entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but that this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Blakney, of E.erton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than McCreey's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.
