HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the care of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal. Ir is a fact that, at some period, every mem-

For this disease every physician will recommend Bitters of some kind, then why not use an article known to be infalthen why not use an article known to be infal-lible? All nations have their Bitters, as a pre-ventive of disease and strengthener of the sys-tem in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation ema-nated, based upon scientific experiments which have texded to prove the value of this great preparation in the scale of medical science. Fever and Agur.—This trying and provok-ing disease, which fixes its relentless grasp on the body of man, reducing him to a mere sha-dow in a short time, and rendering him phy-sically and mentally useless, can be driven

from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Eitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Eitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

DR. M'LANE'S CELEBRATED

VERMIFUGE LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lanc's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for

what their name purports, viz.: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals

subject to Worms. THE LIVER PILLS, For the cure of LIVER COMMAINTS, all Bilious DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of

FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS.

PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to

FLEMING BROS. Pittsburgh, Pa P.S. Drs. Fitch & Sykes would state that their treatment of consumption is based upon the fact that the disease exists in the blood and system at large, both before and during its development in the lungs, and they therefore employ Mechanical, Hygienic and Medicinal remedies to purify the blood and strengthen the system. With these they use MEDICAL INHALATIONS, which they value highly, but only as Palliatives, (baving no curative effect when used alone,) and invalids are earnestly cautioned against wasting the precious time of curability upon any treatment based upon the plausible, but false idea that the "seat of disease can be reached in a direct manner by Inhalation," For as before stated, the seat of the disease is in the blood and its effects only in the lungs.
