LEGISLATURE.

Mr. EDITOR:-Permit me space in your paper, to say a few words on the subject of a candidate for the Legislature. As a citizen of Bedford Borough, I feel that the claims of Mr. W.M. GRIFFITH, of Union Township, are superior to those of any other named. Griffith was a candidate a few years ago for the office of Associate Judge, and when it was thought that his withdrawal, and the nomination of another candidate, would conduce to the good of the party, Mr. Griffith cheerfully acquiesced. To him, as much as to any other man, do we now owe the ascendency of correct ive and effective politician; is well read; and will make a representative of whom we need not feel ashamod. Many of our friends in this part of the County feel that Mr. Griffish deserves and should have the nomination.
