## Election of School Directors.

Get thee glass eyes,

And, like a scurvy politician, seem' To see the things thou dost not.- Shakspeare. ARENTS AND TEACH- mest afraid of contamination. I never could zeal for the great battle to be fought the comrs at imitation, and especially see ! see that every voter is out ! have wagons

LETTER FROM ILLINOIS. URBANA, ILL., March 1, 1860.

FRIEND OVER :- Having a few leisure molungs, or make himself sick by crying, the ments, and thinking perhaps that you might be silly mother will commence, "well, well, dear, pleased to hear from this, our prairie country, don't cry, just look here; see what mother's I conclude to give you a short sketch of matters in general. Health is remarkably good, git for you; here is a great big lump of sugar there being no sickness comparatively. I bes lieve there is no country entirely free from ocby so doing, has virtually paid him a price for easional cases of sickness and death. Such is his bad conduct, and has done her child a great the case here, there have been a very few in ury, which in after life may be the cause of cases of typhoid fever, and other diseases common to this elimate. Business is improvhs having to be punished for being obstinate and self-willed. Parents should never exact aything of their children but that which is and self-willed. Parents should never exact asything of their children but that which is reasonable; and then their will should be the red of law to the child, and it should be taught, and if need be, compelled to yield in the dimutiait obedience to the will of

this country, and they are selling now at 40 the ice, and gave a boy two shillings in good ets per bushel. The crop of small grain was light.

## Political matters are assuming a very promi To see the things thou dost not. Shakspeare. nent position before the American people, Bless me ! this is a political subject ! 1 am and our folks in Illinois are not behind in their

exactly divine the difference between the poli. Ing summer and fall. The two great parties, have taken only a bird's eye fies and the small-pox, beleaving them to be this State, and each party is looking forward to a slant to the left with the left foot, and just ect, and must now briefly no- equally contagious, and if I have heretofore re- the two great National Conventions for the semore specific duties of pa-inside from making excursions into the field of he more important duties of politics, it must be attributed to my utter de-standard bearer in the coming contest. The standard bearer in the coming contest. their children by example, estation of things political, in reference to fear they cannot marshal their forces in the stride with the right foot, and we sat down bur Common School system, but I am now Charleston Convection, to nominate their squat. with fearful rapidity, with very little, if any not indulge in any habit, or to deviate from the beaten track, and to call ter-sovereignty unfriendly-legislation candi- elegance! What a set down it was-for we t which they would not have il my friends, (and I hope that their name is date. There is great dissatisfaction in the made a dent in the nee not unlike a Connectipitate or practice. Children legion,) to go to the polls! to go early! stay rs at imitation, and especially that see that every voter is out ' have wareness. Children remarked, 'Oh, look, Mary, that feller with the a readiness! to bring out those who don't South, and also because the doughtaces of the d learns to lie or use decep-it can articulate an untruth.— it larns d slin trick of the prod of its parents and all oth-momelled to doubt their vera-ure on their part to perform Exactly ! The best men did I say ? yes, the crats will not support the candidate of the lady-we know she was one by the remark are used the threat made; and best men beyond a peradventure. No office, ground for doubt on the part within the gift of the people, requires better not support any man on a slave code platform, a slave code platform, about as graceful as a saw horse, when Mary. and deceived by others. The tells here child if it will not a stave code platform, the keep from taking cold?" We rose and they are equally opposed to a slave code platform, to keep from taking cold?" We rose about as graceful as a saw horse, when Mary and they are equally opposed to a slave code platform, about a graceful as a saw horse, when Mary and they are equally opposed to a slave code platform. Let each Township make an effort to place the best men in the field and they will be slave trade, and all such repulsive doctrines. Mary was right. It wasn't a handkerchief.

> Boone. Lives of using the last six months, and even with him and Sums their stendard beater, the platform must be caused us, the weel horse, to shoot off on a tangent, heels up ? But the joe is nerve call Each of lain and unmistakable in its meaning, to com-

coln, will be very acceptable to the party in this State. I think the change in the time of holding the Convention, from June 13th to May 16th, is a good one, and will meet the approbation of all friends of our cause. But I must close. This letter has now in ken more time and space than I intended in

VOL. 33, NO. 12.

the commencement, and if your patience does not weary in reading, I shall be disappointed. disappointes. .... H. M. R. Yours, truly,

## A SKATER'S EXPERIENCE.

One of the editors of the Milwaukee News -Pomeroy-thus relates his "pleasures of

them for the time being. If this method was pursued in every family, to would not have so many Young Americas are common nowadays. More anon. GEORGE SIGAFOOS. GEORGE SIGAFOOS. coin of the realm for the use of his implen We have confidence, even as great as Peter's faith. We, with the assistance of a friend, fixed on the skates, and stood erect, like a

barber's pole. "Encouraged at the sight of some ladies on the bridge looking at the skaters, we struck out. A slant to the right with the right foor, then we saw something on the ice, and stooped white hat ain't got his skates on the right place!' Ditto, thought we. Just then a ragged little

Ound Seward more readily come up to the sup-one ever hears of our skating again, they will hids fair toport of the ticket, and work for it with a bet-other similar or will, than they would either of the ex-The "Piceres". The "rither seems to me to be fair reason-een sold sing and correct conclusions. The "Little Gito the "Prant" never crossed steel with a man who could to the "Prant" never crossed steel with a man who could er of that strip his arguments of their outer covering, The "R" and show their naked deformity so effectually, people against skating. We tried it, and shan't informations did Lincoln in their joint debates of '56 .on, and if venture the assertion that Abe Lincoln can are a humbug, and all the rascally youngsters will be givenisdom of the Convention may see fit to choose do well to let skates alone, unless they are Address of the Republican party in this State, and of

all good Republicans everywhere, who have CASH The good of the country at heart, and are not CARN'blinded by prejudice. Cameroo, if not Lin-Blane. and 10 cts, 12, 14 and the line to per ag a to setting do no asting

angeut, heels up ! But the ice is very cold "We tried it again. A glide one way, a glide and a half the other, when 'whack' came

our bump of Philoprogenitiveness on the ice, and we saw a million of stars dancing round our eyes, like a troup of ballet girls at the Bowery Theater. How that shock went through our system, and up and down our spinal column! Lightening couldn't Lave corkscrewed it down a greased sapling with greater speed and more exhilarating effect. Boarding-house butter non a warranty deed could not have struck strong er than we did-and a dozen ladies looking

again, and we there helpless. Soon we got up and made another trial with better success Perhaps we had skated in our peculiar style, fitteen feet, when a blundering chap came up behind, and we sat down with our tired head was there, too !' Every spot where we made our debut on the ice-oh, how cold it was !-Our bear skin drawers were no protection at all ! We tried again, for the papers all say nese on the cold julep material, and the little drops of crimson ran down our shirt bosom. and on to the cold ice. Once more we tried skating, made for the shore, sat down, and counted damages.

"Two shillings in each thrown away. Seven latteral and one 'fronteral' bumps on the ice. One immense fissure in as handsome a pair of ic. One rupture in the knee, extending to the bone. Four buttons from our vest, a fragmented' watch crystal, and the back-ache, big enough to divide among the children of Israel. please draw on us at sight for the bivalves and accompaning documents. We have got through skating. It's a humbug. Its a regation of spirit, of business, of flesh; and tearer of be able to walk for a month. Skating clubs younger and more elastic than we are. how cold the ice is-we can feel it yet !"
