THE subscribers and Gardeners.

THE subscribers offer for sale 60.000 Barrels of POUDRETTE, made by the Lod Manufacturing Company, in Lots to suit Purchasers. This article is in the twee tieth year of its introduction into this country, and has outlived fertilizers of every other description, for the following reasons:

1st. It is made from the night soil of the City. of New York, by the L. M. Co., who have a capital of S100.000 invested in the husiness, which is at of \$100.000 invested in the business, which is at risk should they make a liad article. 2d. For Corn and Vegetables it is the cheapest,

2d. For corn and y egetables it is the cheapest, neatest and handlest manure in the world; it can be placed in direct contact with the seed, forces and ripens vegetation two weeks earlier, prevents the cut worm, doubles the crop, and is without disagreeable odor. Three dollars worth or two barrels is all sufficient to manure an acre of corn in the hill.
