HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system as to secure permanent health.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dyspepsia, Colic, Cholera Morosa, etc., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation.

Persons in advanced years, who are suffering from an enfeebled constitution and whose body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated.

MOFFATS Vegetable Life Medicines. A mild yet effective medicine, composed of the best material known to medical science, for the cleansing of the alimentary canal and relieving the springs and avenues of life of all morbid obstructions and impurities, must be a public blessing and a domestic and individual protection and safeguard, in proportion as it becomes known.

The families of the United States have long had in Moffat's Celebrated Life Pills and PAIN-EXPELLER, and the good they have effected, is inestimable. They have won their high fame and firmly established character by their virtues alone, without the aid of the usual arts of notoriety or impudent experiment on the faith of the credulous.

In all general derangements of the digestive and alimentary functions, as well as in a vast variety of acute and chronic diseases, their effects are prompt and complete as to excite astonishment.

In rheumatism, settled pain in the organs and limbs, costiveness, piles, liver complaints, jaundice, nervous and bilious attacks, headaches, fever and ague, eruptive diseases, bad aspect of the complexion, indigestion and flatulency, cholics, affections of the bladder and kidneys, dropsy, asthma and bronchitis, rheumatic colds and sore throats, and indeed in almost every conceivable kind of ill-humor, these are invaluable, and will afford certain, and most generous permanent relief. They require neither confinement nor change of diet—they neither prostrate the strength nor give pain—and a more delightful and effective medicine cannot be procured either for individuals or families.

The proprietor has received for many years and is continually receiving the most fervent and grateful testimonials of their value. Prepared and sold by Dr. W. M. B. MOFFAT, 335 Broadway, and also by the agents.
