We think the following letter from a respectable citizen of Mississppi will answer the question, and remove all doubts from every unbiased mind GRENADA, Miss., June 5, 1855.

DR. SETH S. HAKCE, BALLIMORE, MD.—Dear Sir: I take great pleasure in relating a case of spasms or fits, cured by your invaluable Pills.—My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first; but as he grew older, they seemed to increase likewise. Up to the time he commenced taking your little, he had them very often and quite severe, prostrating him body and mind. His mind had suffered seriously; but now, I am happy to say, he is cured of ly; but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months past. His mind has also returned to its original sprightliness. All this I take a great pleasure in communicating, as it may be the means of directing others to the remedy that will means of directing others to the female, cure them. Yours respectfully, &c. W. P. Ligon.

To This is to certify that I have had the LIVER COMPLAINT for five years, during which time I have tried almost all known remedies, but to no purpose. Hearing of Dr. M'Lane's Celebrated Liver Pills, I concluded to try a box. I did so, and am now almost cured. I think one box more will effect a permanent cure. I can cheerfully recommend these Pills to all who may suffer from liver complaint. I have also known them used with the most happy results in cazes of sickheadache, or dyspepsia.

74 Wall Street, New York, Dec. 20th, 1858.

Gentlemen: Your note of 15th inst., has been received, saying that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due. My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.

falling off the top of my head and threatening to make me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my bair, for I had really no expectation that my gray hair could ever be restored to its original except from dyes. I was however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensiolity to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

my wife, at whose solicitation I was induced to try it.

For this among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if grewing gray or geting bald.

A man or woman may be nearly deprived of hair, and by a resert to your 'Hair Restorative,' the hair will return more beautiful than ever; at least this is my experience. Believe it all! Yours truly.

BLOOD SEARCHER,

A STANDARD MEDICINE

For the speedy, radical, and effectual cure of ALL DISEASES arising from IMPU-RITY OF THE BLOOD.

This medicine has wrought the most miraculous cures in desperate cases of Scrofula.

Cutaneous Diseases, Erysipelas, Boils,

The above is a portrait of David McCreary, of Napier township, who, on the 31st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford County, and by Pr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his ltp, nose, and a portion of his left check were entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Blakney, of E derton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

years.

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire pose off, and his case was worse if possible that McGrara and his case was worse, if possible, than McCrea-

ry's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.
