My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagree-abilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bad. In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arre st the falling off of my hair, for I had really no expecta-tion that my gray hair could ever be restored to its original except from dyes. I was however, greatly surprised to find after the use of two hot-tles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensitility to the scalp, and danduff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it. 13 Fen 64 GOOD NEWS! 20 1 03 THE TRAIN HAS ARRIVED !
