REASON AND COMMON SENSE. REASON AND COMMON SENSE. Our readers may remember we have on several occasions spoken in very eulogistic terms of a preparation which Dr. Seth S. Hance, of 108 Bal-timore street, Baltimore, Md., has discovered for the cure of Epileptic Fits. Now, in doing so, we have been actuated by the very best motives, viz : the alleviation of human suffering. From circum-stances which have lately come to our knowledge, we fear there is a certain class of persons who are not disposed to try this remedy in a common sense stances which have lately come to our knowledge, we fear there is a certain class of persons who are not disposed to try this remedy in a common sense manner. We allude to the fact of selecting a par-ticular case in a town where perhaps there are six or eight cases, and trying it on one case. New, perhaps the case selected might be the only one of the whole number that it would not cure. This is neither doing themselves nor the mecicine justice. If a dozen persons were stricken down with cholera in one town or neighborhood, would they all send for a physician, or would only one employ him, and wait and see if he cured the first patient? That plan of procedure would be most absurd. So in the case of Dr. Hance's remedy, every one who has Fits should try it for a reasonable length of time. It will not cure in a day or week; nothing worth doing can be accomplished at once. What is easily done, is as easily undone. The growth of time is enduring. From the most respectable testimony we have examined, we feel assured that by a proper perseverance in this remedy, nine cuses of Epilepsy out of ten may be cured. The Pills are sent by mail free of postage to any part of the word.— Price: one box \$3; two \$5; twelve 24. Yon will find the address above.

NATURE IS THE GREAT PHYSICIAN.— This now admitted by the medical profession, a s a findamental principle of healing science. It is wisely provided by the human econemy, that when-ever anything is wrong in the physical system, the natural forces of the body are bronght to bear to expel the disease. The great aim, there fore, is to strengthen the natural powers. This has been kept in view by the skillful compounders of DR. J. HOSTETTER'S BITTER'S, which operate to give fresh vitality to all the organs of the body. The effect of this medicine upon the stomach, the liver and the kidneys, are prompt and decisive. The patient who is wise enough to quit drugging, and try the Birrass, soon feels as if he had taken a new lease of life, and as he continues the use of the article, he is overjoyed to find the streams of health coarsing through his frame. Let all from whose the kidneys at the stream streams of the althe coarsing through his frame. Let all from whose the's Celebrated Bitters a trial. Sold by druggists and dealers generally, every-when. INDSEY'S IMPROVED

The above is a portrait of David McCreary, of Napier township, who, on the 31st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physi-cians of Bedford County, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his hy, nose, and a portion of his left check were entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full partic-ulars of this remarkable case may be seen in a cir-cular, which can be had of any of the Agents. We also refer to the case of Nancy Blakney, of E derton, Armstrong county, Pa., cured of Scro-fula after being unable to get out of bed for three years. The above is a portrait of David McCreary, of

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form. To the case of George Meisel, residing in Car-rolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than McCrea-

ry's. The particulars of these cases—every one of which was cured by the use of the Blood Searcher —may also be found in a circular to be had of any of the Agents. R M LEMON. Proprietor.
