THE ONLY PREPARATION
WORTHY OF
Universal Confidence & Patronage.
FOR STATESMEN, JUDGES, CLERKS, GYMN,
Ladies and Gentlemen, in all parts of the world testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. The testimonials only can be here given, see circular for more, and it will be impossible for you to count.
74 Wall Street, New York, Dec. 20th, 1858.
GENTLEMEN: Your note of 16th inst., has been received, saying that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.
I availed to you cheerfully, because I think it due. My age is about 50 years; the color of my hair Auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeable conditions increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.
In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that my gray hair could ever be restored to its original color from dyes. I was however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.
For this among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.
Very respectfully,
BEN. A. LAVENDER.
To O. J. Wood & Co., 444 Broadway, New York.
My family are absent from the city, and I am no longer at No. 11 Canal Place.
Siamston, Ala., July 10th, 1859.
To Prof. O. J. Wood: Dear Sir: Your Hair Restorative has done my hair so much good since I commenced the use of it, that I wish to make known to the public or its agents on the hair, which are given. A man or woman may be nearly deprived of hair, and by a resort to your "Hair Restorative," the hair will return more beautiful than ever; at least this is my experience. Believe it all! Yours truly,
WM. H. KENEDY.
By publishing in your papers the above, you will do me more patronage than I see several of your certificates in the "Mobile Mercury," a strong southern paper.
W. H. Kenedy.

WOOD'S HAIR RESTORATIVE.
Professor O. J. Wood: Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever in New Orleans in 1851. I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.
FINLEY JOHNSON.
The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3.

HOSTETTER'S STOMACH BITTERS.
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.
For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid action of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.
Dysentery, dysentery or flux, so generally contracted by new settlers, and caused principally by a morbid action of the bowels, is regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, may be cured by the use of HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; why then not use an article known to be infallible? For the cure of the Bitters, a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of the great preparation in the scale of medical science.
FEVER AND AGUE.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally unable to do any thing, is cured by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create any fever, nor alter the system, and require no necessary change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is relieved as speedily as is consistent with the production of a thorough and permanent cure.
For Persons of Sensitive Nerve, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially when the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies especially when the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system.
Ladies should be especially careful to try this remedy for all cases of debility, and, before doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.
CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the cork, and stamped on the metal cap covering the cork, and observe that our autograph signature is on the label.
Prepared and sold by HOSTETTER & SMITH, Pittsburg, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.
Agents for Bedford County: B. F. Harry, H. C. Reamer, Bedford; J. H. L. Wood, Jr., Bedford; E. B. Ramsey, Rocky Run; John Nycum, Fairview.

MOFFAT'S Vegetable Life Medicines.
A mild yet effective medicine, composed of the best material known to medical science, for the cleansing of the alimentary canal and relieving the springs and avenues of life of all morbid obstructions and impurities, must be a public blessing and a domestic and individual protection and safeguard, in proportion as it becomes known. Such a medicine the families of the United States have long had in MOFFAT'S CELEBRATED LIFE PILLS and PHOSPHORUS BITTERS, and the good they have done is inestimable. They have won their high fame, and firmly established character by their virtues alone, without the aid of the usual arts of notoriety or impudent experiment on the faith of the credulous.
In all general derangements of the digestive and assimilatory functions, as well as in a vast variety of acute and chronic diseases, their effects are prompt and complete as to excite astonishment.
In rheumatism, settled pain in the organs and limbs, costiveness, piles, liver complaints, jaundice, nervous and bilious attacks, headaches, fever and ague, grassie diseases, loss of spirits, the complexion, indigestion and flatulency, cholera, affections of the bladder and kidneys, dropsy, asthma and bronchitis, rheumatic colds and sore throats, and indeed in almost every conceivable kind of ill health they are invaluable, and will afford certain, and most generally permanent relief. They require neither constant nor change of diet—they neither protract the strength nor give pain—and a more delightful and effectual medicine cannot be procured either for individuals or families.
The proprietor has received for many years and is continually receiving the most fervent and grateful testimonials of their value. Prepared and sold by Dr. W. M. MOFFAT, 235 Broadway, and also by the agents.
Feb. 17, 1860.
