Ladies and Gentlemen, in all parts of the world testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible for you to could.

74 Wall Street, New York, Dec. 20th, 1858.

GENTLEMEN: Your note of 15th inst., has been received, saying that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to

I award it to you cheerfully, because I think it due. My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or har auburn, and meined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four menths since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.

nake me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that my gray hair could ever be restored to its original except from dyes. I was however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the co'or was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this among the many obligations I owe to For this among the many colligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or geting bald. Very respectfully, BEN. A. LAVENDER. To O. J. Wood & Co., 444 Broadway, New York. My family are absent from the city, and 1 am no longer at No. 11 Carrol Place.

life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters

lible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation ema-

as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the pro-

and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness. mmend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph

agnature is on the label.

HOSTETTER'S STOMACH BITTERS. It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has in-Universal Confidence & Patronage. GYHEN,

that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the care of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &C., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may ways be attributed to derangements of the disease every physician will recommend Bitters of complications on the bottle. For this disease every physician will recommend Bitters of complications on the bottle. directions on the bottle. nated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him play. dow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as ner directions. And as they neither events.
