THE ONLY PREPARATION Having proofs so strong and direct as to EXPEL THE DOUBTS OF ALL.

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:

Oak Grove, S. C. June 24, 1859. Prof. O. J. respo: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prolixly aside, and give your Hair Restorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head.

From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advised.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

Yours, very respectfully, M. J. WRIGHT, M. D. Office of the F. J. Sherman, Philadelphia, Va., Dec. 12, 1858.

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer) has been blind ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c., THOMPSON SURGHOR.

DR. WOOD: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

S. H. HALBERG. The Restorative is put up in bottles of three sizes, viz: large, medium and small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; and the large holds a quart, 40 per cent. more in proportion, and retails for three dollars per bottle.

arose and addressed the assembled few, casting bitter reflections on the Administration. He then introduced Mr. Fisher, who spoke over an hour. He reviewed the principles of the Democratic party, affirmed that they were eternal, spoke in unmeasured terms against J. B. denounced him as truckling to the South, and truthfully portrayed his weakness and corruption. He did justice to a cause so hopeless, and while his arguments were admired by many of the opposition, for frankness and attempted justification of a bad cause, he took special care not to revert to the Kansas policy of Mr. Douglas, in justifying the infamous English bill, in voting against a resolution to send an Investigating Committee into Kansas, to inquire into the wrongs of an outraged people, and in turning a deaf ear to innumerable petitions for the same.

Mr. Gaither took the stand and left off all his gas in a very few minutes. He appealed to the democracy, although distracted, that should not hinder a full vote on their Congressional, Legislative and County ticket. John Cessna, Esq., then concluded, and confined himself principally to the action of the Conventions at Charleston and Baltimore, of which he was a member. He spoke as though he was addressing thousands, and his clear voice, although making but little impression on the minds of the few, has been evidently keyed up for a sharp contest with the Breckinridge or disunion faction. But little was said against "Old Uncle Abe" the "Rail Splitter," as the speakers conceded his election to be sure. On the whole the speakers attempted little else than gaining their lost sheep over to the support of the Squatter Sovereignty candidate. But they failed. Many already disgusted, have avowed their intention of voting for Lincoln, Hamlin and Curtin. Liberty Tp. will prove the fact this fall.

PROTECTION. For the Inquirer. Letter from Maryland. FREDERICK CITY, Md., July 21. MR. OVER:—Thinking perhaps some information in regard to the political aspect from this side of "Mason and Dixon's line," might not be uninteresting to your readers; as a doubt is generally entertained, as to whether or not their is in existence a Republican party in Maryland. True the party is not as strong as could be desired, yet it is devoting itself daily. At first it was thought expedient to cast the entire Opposition vote, for the Union Candidates, and not create an electoral ticket, but the cause prospering so rapidly, they have adopted an electoral ticket and variously estimate its support at 15, to 25,000 votes. In fact so strong it is growing that was Bell out of the way; Lincoln would carry the state, by a large plurality. So bitter is the feeling between the Douglas and Breckinridge factions, that both parties swear that, would their votes (if cast for Lincoln), save the state from their Democratic antagonists, that they would cast them so as to cause their defeat.

Their meetings are little better than brawls, all the vituperations, and malignity, which astute politicians, are spit at each other. Criminations and recriminations, "constitute their ratifications, so that the other candidates, are left without a word. In fact the fight has grown so bitter that the respectable citizens, are driven either to the Union, or Republican party. I have heard some of the heaviest slave owners say, that they would just as soon see Lincoln elected as any of his competitors. The change that this state has undergone, since the sitting of the Chicago Convention, cannot easily be estimated. Some of the delegates were borned in effigy, and even threatened with personal violence, should they return to the state—Mr. Armour especially, who was burned in effigy, in this city. Yet he is here, and vindicates the principles of the Republican party manfully. A few evenings after his return he was set upon by a set of irrepressible blackguards, who were always found ready to do the dirty work of their employers, and seized, and taunted, yet he spoke forth his sentiments, fearlessly, and in the language of the immortal Grog, informed them "that no slave driver should crack his whip over him."

Since that time we have talked, as we please, and we calculate that Lincoln will get 100 votes in this City, where 4 years ago Fremont got but one vote. Great feeling is manifested on account of the papers, which have lately come out in favor of Freedom, among which are the Baltimore Patriot and the Civilian, of Cumberland. Two of the most influential Journals, in the state; besides the prospect that the Frederick Herald, will come out in a few weeks. Besides several others, which are quite temperate toward Republicanism. I firmly believe that if the Republican candidates are successful, in the campaign of 1860, Maryland will be one of the most radical Republican states in the Union.

The Bell men here are terror stricken, on account of their lights going over to their enemies, and many doubts are entertained whether they will be able to carry the state, over Breckinridge, or not. Douglas will not be likely to receive as many votes as Lincoln, in this state the fight virtually being between Bell and Breckinridge. Very truly yours, FRANK.

FROM 7,000 TO 8,000 PERSONS BUTCHERED.—The massacre of the Christians in Syria is undoubtedly one of the most diabolical events of our time. The Bohemian brings intelligence that from 7,500 to 8,000 have been murdered. There appears to have been nothing like a warfare in this cowardly butchery. It has been an indiscriminate slaughter of persons of all ages and of both sexes. It is to be hoped that the leaders, at least, in this savage work may be brought to punishment, if any punishment can be a retribution for such heartless cruelty.

The New York Herald—though in favor of Breckinridge and Lane—has the following paragraph in its issue of last Friday: "The real fact in the case is that there is no need of campaign documents, because there is no campaign. LINCOLN is virtually elected. Breckinridge and Douglas have elected him between them, and all that Old Abe has to do now is to select his Cabinet and get his things ready for a journey to Washington.

L. D. was conferred on Mr. Lincoln by Knox College, Galesburg, Ill., at its last commencement. It is not true that he has also received the degree of F. R. S., nor is it a fact that those letters signify "First-rate rail splitter."

THE DOUGRIDGE AND BRECKINRIDGE MEN.— One of our German contemporaries says that the "Democratic" fence straddlers in Washington, who have not finally determined on which side to fall, are now classed as Dougridge and Breckinridge men. This highly significant and euphonious cognomen is designated, temporarily, to shield them from deprecation, a la Sanders, id genus omne, until "tocher, should thought" shall induce them to make a final choice, by a mere change of syllables.—Ball. Clipper.

We take the following from the Perry County Democratic Press, of last Wednesday: "FOSTER CLUB.—A portion of the Democracy met last Saturday evening and formed a Foster Club. We learn that the Douglas men of the Borough would have nothing to do with the meeting. The "shining lights" of the Douglas faction repudiate the call."

Col. Curtin, our gallant candidate for Governor, has opened the State canvass in West Chester, on the 27th ult., to be followed by Mass Meetings in succession all over the State. At the West Chester meeting Hon. John Hickman, and Thomas P. Campbell, of Huntingdon county,—two leading Democrats,—for the first time took the stump for Lincoln and Hamlin.

THE STAMPEDE CONTINUES.—Mr. J. D. Fletcher of Okaloosa, Iowa, who has until now been a strong Douglas man, through the columns of the Okaloosa Herald announces himself for Lincoln. The Herald says Mr. F. is one of the most intelligent, sagacious and respected citizens.

PILES! PILES!! PILES!!! What is it? How Cured? Thousands of persons have Piles—suffer for years with the disease—yet few know what it is, or how it is cured. Every case of Piles, whether manifested in the form of external tumors, frequent bleedings, or in violent itching and irritation, depends essentially upon congestion of the abdominal venous circulation. This produces the engorgement, dilation of the veins, formation of tumors, hemorrhages, pain and suffering; and the disease can only be fundamentally cured by medicines which, taken internally, relieve this venous congestion. Hence ointments, washes, and even injections, are so ineffectual.

HUMPHREYS' HOMEOPATHIC PILE SPECIFIC, a simple sugar pill, taken two or three times per day, cures the disease by curing the condition upon which the disease depends. Hundreds have been cured by it, even of the most obstinate cases. All will be promptly benefited by it. Price, 6 cents a box.

N. B.—A full set of HUMPHREYS' HOMEOPATHIC SPECIFICS, with Book of Directions, and twenty different Remedies, in large vials, morocco case, \$5; ditto, in plain case, \$4; case of fifteen boxes, and Book, \$2.

Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Address DR. F. HUMPHREYS & CO., No. 562 Broadway, New York. Sold by H. C. Reamer, August 3, 1860.

PHYSICIANS are generally loath to speak a word in praise of what are called "patent medicines." Indeed, it is an article in the code of medical ethics, that a physician who sanctions the use of such remedies can't be considered a member of the National Association. But there are exceptions to the most stringent rules, and many of the disciples of Esculapius have actually been compelled, by the force of facts, to recommend the use of DR. J. H. HOSKINS' STOMACH BITTERS, for those diseases which are particularly prevalent during the summer and fall. They have ascertained that there are no remedies in the pharmacopoeia which can compare with this wonderful compound for derangement of the system. Thousands of families residing along the low grounds of the Western and Southern rivers, are now convinced that they have found a medicine peculiarly adapted for their ailments, while in other portions of the country, during the summer months, the demand for the article is equally large.

Sold by druggists and dealers generally. See advertisement in another column. August 3, 1860.
