LINDESEY'S IMPROVED BLOOD SEARCHER. A STANDARD MEDICINE. For the speedy, radical, and effectual cure of ALL DISEASES arising from IMPURITY OF THE BLOOD.

This medicine has wrought the most miraculous cures in desperate cases of Scrofula, Cancerous formations, Erysipelas, Boils, Sore Eyes, Scald Head, Rheumatic Disorders, Gout, Salt Rheum, General Debility, Loss of Appetite, Pimples on the face, Old, Stubborn Ulcers, Tetter affections, Dyspepsia, Jaundice, Mercurial Diseases, Liver Complaint, Low Spirits, Female Complaints, and all diseases having their origin in an impure state of the Blood.

The above is a portrait of David McCreary, of Napier township, who, on the 21st day of August, 1858, made affidavit before Justice Goley that he was treated for the cure of Cancer by three physicians of Bedford County, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his hair, nose, and a portion of his left cheek were entirely eaten away!

He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life.

We also refer to the case of Nancy Blakney, of E derton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Cleveland county, who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that she has passed on, and his case was worse, if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.

HOSTETTER'S STOMACH BITTERS. It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system as to secure permanent health.

In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by enabling the system of strength and tone, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid action of the Stomach and Bowels, Cholera, Cholera Infantum, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by strict use of this preparation.

Dyspepsia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may be attributed to derangements of the digestive organs, can be cured without any other aid than the use of Hostetter's Bitters.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing her child, they are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system.

Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the merits of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Prepared and sold by HOSTETTER & SMITH, Pittsburg, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.
