AN OUTRAGED DEMOCRAT. Rock Island, Aug. 1, 1860. LARGE MEETING.—One of the largest meetings ever held in Illinois, was recently held at Springfield, the home of "Honest Old Abe."

Senator Douglas is reported as having made at the late Rhode Island Clam-Bake these remarks: "I am asked why I don't advise my friends to make a union ticket with the secessionists."

There is not a Breckinridge man, on the whole Locooco ticket in this County. Every one of the candidates is for Douglas.

Geo. Eyster, John H. Cresswell, and D. A. Wertz, have been appointed Conferees from Franklin County. They are in favor of McPherson.

It is thought that Gen. Coombs will have a majority of over 30,000 in Kentucky. This is a sore lick for Breckinridge in his own State.

The Temperance Organization will meet on Monday evening next. Mr. John Palmer will deliver an address.

The sacrament of the Lords Supper (D. V.) will be administered in the Presbyterian Church of this place on Sabbath, the 19th inst.; service to commence at 10 1/2 A. M.

PHYSICIANS are generally loath to speak a word in praise of what are called "patent medicines." Indeed, it is an article in the code of medical ethics, that a physician who sanctions the use of such remedies cannot be considered a member of the National Association.

THE ONLY PREPARATION.

Having proofs so strong and direct AS TO EXPEL THE DOUBTS OF ALL.

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction; and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite in testifying that it will preserve the hair from being gray, and from falling in any age, as well as restore. Read the following—

Oak Grove, S. C. June 24, 1856. PROF. O. J. WOOD: Dear Sir:—Your Hair Restorative rapidly gaining popularity in this community. I have had occasion to use your medicine and give you your Hair Restorative a perfect test—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most cordial thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper. Yours, very respectfully, M. J. WRIGHT, M. D. Office of the J. Jeffersonian, Philadelphia, Va., Dec. 12, 1858.

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer), has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the earnest request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c. THOMPSON SURGINOR.

Dr. Woods: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original luster. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. S. THALBERG.

The Restorative is put up in bottles of three sizes, viz: large, medium and small bottles; a pint, and retails for one dollar per bottle; the medium bottle at 50 cents per bottle, more in proportion; the large bottle a quart, 40 cents more in proportion, and retails for three dollars per bottle. O. J. WOOD & CO., Proprietors, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo.
