directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infal-lible? All nations have their Bitters, as a pre-vention of disease and strangtheners of the lible? All nations have their Bitters, as a pre-ventive of disease and strengthener of the sys-tem in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emn-nated, based upon scientific experiments which have texded to prove the value of this great preparation in the scale of medical science. FEVER AND AGUE.—This trying and provok-ing disease, which fixes its relentless grasp on the body of man, reducing him to a mere sha-dow in a short time, and rendering him phy-sically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nause nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursaits, but promote sound sleep and healthy digestion, the complaint is renoved as speedily as is consistent with the product of a thorough and permanent cure. The Persons in Advanced Years, where there are indifferent from an enfected constitution and infim body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated.
