DURING the summer that has just passed away, thousands of sufferers from dysentery and diarrheea have been relieved by the use of Hostetter's Bitters, a medicine which is evidently destined to maintain a permament place in the public estimation. Billious diarrheea is one of those diseases which baffles the skill of the physician. The medicine they administer to act upon the bowless never seems to reach the source of the evil. The difficulty is to get a remedy that will reach all the digestive organs, and give them simultaneously a rush of vigor, to the disease. This problem is all themselves of this disease. For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of cruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the the following:—

Oak Grove, S. C. June 24, 1859.

Prof. O. J. Wood: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside and give your Hair Restorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance. I employed exerctions I could think of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and as I thought, understanding the nature of the discase, but was finally defeated in every prescription ad-

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly ewe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper. Yours, very respectfulty.
M. J. WRIGHT, M. D.

Office of the Jeffersonian, Philippi, Va., Dec. 12, 1858. Philippi, Va., Dec. 12, 1858. Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he had been supported to the second support of the second a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Kestorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

THOMPSON SURGHNOR.

Dr. Wood: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Re storative" it soon recovered its original hue. consider your Restorative as a very wonderful in vention, quite efficacious as well as agreeable
