The particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health.

In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life.

For this purpose, Dr. Hostetter has introduced in this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it.

The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation.

Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may be attributed to derangements of the Biliary organs, can be cured without aid by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle.

We also refer to the case of Nancy Blakely, of E. derton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose and his case was worse, if possible, than McCrea's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.
