DISTRICT AND COUNTY TICKET.

FOR CONGRESS,

- HON. E. McPHERSON, of Adams Co. FOR STATE SENATOR, COL. S. S. WHARTON, of Huntingdon Co. ASSEMBLY, C. W. ASHGOM, Broadtop Township, M. M. SCHROCK, Somerset County. PROTHONOTARY, JEREMIAH K. BOWLES, Bedford Tp. SHERIFF, GEORGE S. MULLIN, Napier Tp. COMMISSIONER, JONATHAN FICHTNER, Londonderry Tp. POOR DIRECTOR, SAMUEL SCHAFER, Union Tp. EDITOR, D. D. ESHELMAN, Middle Woodberry Tp. Importance of the Congressman.

Our friends in Bedford County, ought, by this time, to be well acquainted with the vast importance of the Congressman from this District. Had not Mr. McPherson been in the House, last winter, Mr. Pennington would not have been elected Speaker. In his place, Mr. Boock, a rank free trader, would have been elected Speaker. He would have constituted the Committee of Ways and Means, in such a way that there would have been no Tariff bill reported. Mr. Pennington placed on that Committee a majority of Tariff men, consequently that Committee reported the Morrill Tariff bill, which passed the House, but was defeated by the Locofoco Senate. It is quite probable, from the present arrangement of parties, that the like result may occur again. If Mr. Schell is elected to Congress, although he pretends to be in favor of a Tariff, his duty to his party, and to keep his position in that party, he will have to vote for the Locofoco candidate for Speaker, which in all probability will be Boock, or some other Free Trader, who, if he is elected, will constitute the Committee of Ways and Means of a majority of Locofoco Free Traders, who will never report a Tariff bill at all. Thus Schell's election would defeat the Tariff by his voting for a Free Trade Locofoco Speaker. It will also be seen that he can have no influence, as a Locofoco Congressman, with his party in favor of a Tariff. John Cessna, Esq., who was a delegate to the Charleston Convention offered a resolution in that body in favor of a Tariff, which was laughed down. Mr. Henry D. Foster, the candidate for Governor, in this State, went to Washington, during the session of Congress, to electioneer with the Democratic Congressmen in favor of a Tariff. He strongly urged them to pass the Morrill Tariff bill, stated to them that if they did not do it, he would be defeated for Governor, and consequently they would lose the President. What was the result? Two Democrats only in the House, and two in the Senate, voted for the bill. It will thus be seen that if Henry D. Foster, their candidate for Governor, and consequently they brought to bear on his brother Locofocos, could do nothing for the Tariff, Mr. Schell will not be able to do even as much. His election over McPherson may, and we believe would defeat the passage of a Protective Tariff bill by the next Congress.

Another great reason why all who sincerely desire the success of our honest standard-bearer for President, Abraham Lincoln, should vote for Edward McPherson, and against Wm. P. Schell, is, that the election of Schell will make the House of Representatives Locofoco. If such be the fact, they would oppose every measure of his administration, and he would be powerless for good to the country. If you are anxious for a change, Lincoln man, of the 17th Congressional District, vote for the Congressmen who will be of some service to you

on the Tariff question, and on all other questions to which our party is pledged.

We absolutely consider the Congressman of more importance than the Governor, and we would rather see any man of our party vote for Foster than for Schell. Foster's success might not defeat the Tariff, and could not oppose, in Congress, the administration of Lincoln, whilst the success of Schell would kill the Tariff, and in all probability make the next Congress against his administration. Lincoln men, ponder well this serious matter.

St. Clair and Union Townships.

LARGE MEETING.

The following report of the meeting of last Saturday evening, in St. Clair, has been handed us by a friend. The meeting is said to have been the largest Township meeting ever held in the County. Between four and five hundred persons were present from St. Clair and Union Townships, and Bedford Borough:

Mr. OVER:—Pursuant to notice in the Inquirer, one of the largest meetings of the season came off in St. Clairsville, on last Saturday night. A Lincoln, Hamlin and Curtin pole, one hundred and twenty five feet in length was raised on the occasion. After the pole raising, the immense crowd of people was called to order by Mr. Jos. S. Riddle, and the following officers appointed:

President—A. H. HULL, Esq.; Vice Presidents, Dan'l Berkeimer, George Zimmers, John Fickos, Sen., Jacob Oster, John T. Ake; Secretaries, Wm. Kirk and Wm. F. Moorhead. The meeting being organized, Dr. John H. Witrode, of Huntingdon county, was introduced, and delivered one of the most thrilling and argumentative speeches we have ever had the pleasure of listening to. The Dr. has a great reputation as an orator, and certainly he is not overrated, as was abundantly testified to on last Saturday night, as cheer after cheer rent the air whilst he was dissecting the thing yelet modern Democracy.

The next speaker was our own Frank Jordan, and most nobly did he acquit himself.— Bedford county may well be proud of him. The next in order was our friend, J. H. Filler. His speech was principally to the Wide Awakes. Filler is a good speaker, and did the cause justice. The Bedford Wide Awakes were out in full numbers, and added greatly to the display of the evening. The meeting adjourned about 10 o'clock, with cheer after cheer for Lincoln, Hamlin, Curtin, McPherson and the whole County ticket.

There were not less than 400 persons on the ground. The fusion, confusion and refusal Democracy held a meeting at the same place, in the afternoon of the same day, and we are reliably informed that the crowd numbered 74 persons, all told. K. W.

Meeting in Rainsburg.

Our friends had quite a large meeting in Rainsburg, on Wednesday evening last, some 250 or 300 voters being present. The Bloody Run Wide Awakes, to the number of 37, were on hand, and made an excellent appearance.— They are the right kind of fellows, and will be wide awake until after the election. An excellent speech was made by Mr. Jacob Longenecker, one of the students at the Rainsburg Seminary, and a young man of talent; also by the old wheel horse of our party, Hon. F. Jordan. The greatest enthusiasm was manifested, and all were pleased with the meeting. Colrain will do her duty this fall, and no mistake.

Club Meeting.

The meeting of the Lincoln Club, in this place, on Tuesday evening last, was the best attended of the season. About dark the Wide Awakes turned out and marched around the town, with their torches and banners, making a beautiful display. When they arrived at the Court House, they marched into the County Hall. The room was literally jammed with Wide Awakes, and others. Hon. F. Jordan made one of the best speeches of the campaign, occupying over an hour and a half in the delivery. The enthusiasm was immense. Lincoln and Curtin's stock is fast going up.

Meeting in Union Township.

On Monday evening, the People's Party of Union Township held a meeting, in the School House, in Texas, in that Township. Although there was a misunderstanding as to whether the meeting was to be held in Lewisville or Texas, yet there was quite a good turnout of our friends. Speeches were made by D. Over and Hon. F. Jordan. The best of feeling was manifested. Union is wide awake, and no mistake.

Major Tate—Extra Fees.

The following are a few of the items which Major Tate has increased to about double what they were under other Prothonotaries.— You, voter, that had to pay Maj. Tate these extras, will remember this when you come to vote on Tuesday a week. Ought you to vote for a man who has no more feelings for the tax-ridden people of Bedford County, than to charge them twice as large fees as other officers. Read this statement of a few of the items:

Table with 2 columns: Under Tate, Under other officers. Rows include For entering Judgment Note, For entering Judgment on Transcripts from Justices' Dockets, Swearing Constables.

The last Gazette contains several articles from a new paper published in Huntingdon called the People's Defender, in which Col. Wharton, our candidate for Senator is abused at a round rate. This paper was gotten up by the McMarries, as a guerrilla paper, and opposes our ticket. Believe not a word from it.

MORE FIRES!

On Saturday morning (last, about half past 2 o'clock, a fire was discovered in a straw stack in the rear of the barn of Dr. George W. Anderson, a short distance east of Bedford. It quickly communicated to the barn, which was in a short time entirely consumed. Fortunately, the Dr. had threshed his grain and taken it to the mill. About 2 tons of hay were destroyed. The horses, harness, &c., were gotten out in time to be saved. With great difficulty the Dr.'s residence was saved. Supposed to be the work of an incendiary.

On Tuesday evening last, about half past seven o'clock, a fire was discovered in the back part of the residence of the editor of this paper. The fire was between the weatherboarding and the logs of the building, and was evidently placed there with the intention of destroying it. A considerable portion of the weatherboarding was consumed, and the logs considerably charred. In ten minutes more, the building could not have been saved, as a high wind prevailed at the time, and the whole central portion of the town might have been destroyed. From the public situation of the building, and from the early hour, we consider this the boldest act of villainy of the kind, that has yet transpired in this place. It is high time that the people of our town should be on the alert, for there evidently is a demon or demons in our midst, who are intent on destroying the place.

We tender our thanks to those citizens who labored so well in saving our property.

Henry D. Foster and the Irish.

Some days since we were credibly informed that a number of the more intelligent Irish voters of this county were about to vote against Henry D. Foster, for Governor. On inquiring the reason, we were told that it was because Foster, when in Congress, in 1847, voted against the Resolution granting relief to Ireland, at the time her people were suffering all the horrors of famine. We had forgotten this, but on turning to the records of that date, we find that Foster did vote against said Resolution, and all who wish the evidence, need only refer to the Congressional Globe for the session of 1847, page 572, or to the Journal of the House of Representatives for the same year, page 478.

It is true, therefore, that when the crops had failed in Ireland, and her people were on the point of starvation, and suffering amidst the horrors of that dreadful famine, and when the American people everywhere were pouring out their money and sending their grain for their relief, HENRY D. FOSTER, then in Congress, voted against the "Bill for the Relief of Ireland." No wonder the Irish are about to pay him back now, for his refusal to vote for their relief then. "A friend in need, is a friend indeed."

"B--D DUTCH."

Remember, German voters of Bedford County, that Maj. S. H. Tate, when, a few years ago, Hon. John Taylor was a candidate for County Treasurer, called you "B--D Dutch" because a few of you voted for Taylor. We can prove this by respectable German voters of Bedford Borough, if Tate denies it.

"Never Wants a Whig to Vote for Him."

Remember, Whigs of Bedford County, that Maj. S. H. Tate, said a few years ago, in Bloody Run, that he "never wanted a Whig to vote for him." We can prove this by many respectable citizens of Bloody Run, if Tate denies it.

Henry Clay "a Murderer."

Remember, old Clay men of Bedford County, that Maj. S. H. Tate, in 1844, publicly charged Henry Clay with being "a murderer." We can prove this by plenty living witnesses, if Tate denies it.

Remember, voters of Bedford County, that neither Maj. S. H. Tate, nor his friends, have dared to deny these charges, nor the other, in reference to doubling his fees.

BEWARE--FALSE TICKETS!

SAMUEL H. TATE is now sending out what purports to be the People's Ticket, but it has the name of Samuel H. Tate upon it instead of Jeremiah K. Bowles. The same game is being played by William P. Schell's friends. They leave out the name of Edward McPherson and put on Schell's. John J. Cessna and the other Locofoco candidates are doing the same thing. Take no ticket from any man unless you know him to be against every man on the Locofoco ticket. Examine every ticket, and see that every name is right.

Remember, Lincoln and Curtin men, when Mr. Schell or any of his friends urge you to vote for him, and against our talented candidate, Edward McPherson, that he never voted for a man on our ticket in his life. That at the election next Tuesday week, he will vote for a full Locofoco ticket, from Foster down to Auditor. Ask him or his friends, whether he will vote for Lincoln, Curtin, or any man on our ticket. He won't do it! Then, don't vote for him.

Remember, voters of Bedford County, that Wm. P. Schell voted in the last House of Representatives against the Tariff Resolutions, and in favor of the corrupt administration of President Buchanan.

The ladies of Bloody Run have procured the Wide Awakes of that place with a beautiful flag. They are all good looking and intelligent, and for linking (Lincoln) to a man!

Which Ticket is the Best?

The following extract is from the last Junata Democrat. It will be seen that that paper states that Wm. P. Schell, Esq., is in favor of the fusion electoral ticket, and that he so expresses himself:

"We understand that Mr. Schell expresses himself favorable to the Union Electoral Ticket, and no man familiar with his popularity in the counties of this District, can for a moment doubt that he will be triumphantly elected; and that the citizens of our District will congratulate themselves upon his election when his valuable services as a conservative, assiduous and faithful representative will have assured them of his possessing the Jeffersonian qualifications of honesty and capability."

Now in Bedford County it is well known that he favors the straight Douglas electoral ticket headed by John Cessna, Esq. Why is this, Mr. Schell? How does it come that in Junata county, you pretend to be in favor of the fusion electoral ticket, and in Bedford County, you and your party are in favor of the straight Douglas ticket as follows:

- ELECTORS AT LARGE, Richard Vaux, John Cessna. DISTRICT ELECTORS, Joseph Laubach, Isaac Bachard, Geo. D. Jackson, Wm. L. Grogas, Joel B. Danner, J. D. Crawford, Francis Laere, J. B. Howell, John Galvin, Samuel Marshall, Wm. Book, Wm. Leonard, Gaylord Church.

On the Reading Ticket. Who is to be deceived? Pray, tell us!

MR. SCHELL AND EXTRA PAY.

Remember, voters of Bedford County, that Wm. P. Schell voted for the bill increasing his pay from \$500 to \$700. That had he voted against the bill, it would have been defeated. That he has received by his own vote, \$200 a year, amounting to \$600 in his three years' term. That this vote of Schell's costs the State, every year, the sum of \$26,600, that ought now to be going towards the payment of the State Debt. Might he not, should he be elected to Congress, consider his services of so much importance, like in the Legislature, that he would again vote for giving himself extra pay? Here is the vote from the Legislative Record. Read it:

In the Senate, on the 7th April, the question of the \$200 extra pay came up. Mr. Myer moved that instead of the \$200 additional pay, the annual compensation shall hereafter be \$700 and mileage, instead of \$500 and mileage, as at present—which was agreed to. Mr. Ely then moved to amend, that the section shall not apply to the members of the present Legislature. Not agreed to—yeas 16, nays 16. The question was then lost by a vote, 16 to 16. Mr. Baldwin moved to reconsider the vote on section fifty-seven, to increase the pay of the members two hundred dollars. Agreed to. And the section passed—yeas 16, nays 14, as follows: YEAS—Messrs. Bell, Coffey, Crosswell, Finney, Francis, Gutzam, Gregg, Harris, Ingram, Marsalis, Myer, Randall, Rothert, SCHELL, Straub and Wilkins—16. NAYS—Messrs. Baldwin, Brewer, Bucklewe, Craig, Ely, Evans, Fetter, Knox, Laubach, Schaefer, Steel, Turney, Wright, and Welsh, Speaker—14.

VOTERS OF BEDFORD COUNTY!

Tuesday week is election day! Before another number of our paper reaches some of you, the great battle in Pennsylvania will be fought. Are you ready to take part in this great contest? If not, go to work now, it may not be too late. See that all your American and Republican neighbors are out to the election to vote for Curtin, McPherson, and the whole ticket. Remember, that a vote for Curtin and the whole District and County tickets, is worth at least ten votes for Lincoln, on the bearing it will have on the second election, and on the doubtful States. Every man who anxiously desires the election of Lincoln, should remember this, and get every voter out, for the whole ticket. To work! To work! "Forewarned is forearmed."

We copy the following notices in reference to the Hon. F. Jordan from the Connellsville Patriot. Mr. Jordan made some ten or a dozen speeches in a recent tour to the Southwestern counties of the State, in Westmoreland, Fayette, Washington and Greene:

Hon. Fr. Jordan addressed the people of Uniontown on the political questions of the day and made a powerful argument in favor of the Protective policy of the Republican party.— His speech was highly interesting, and made an excellent impression. On Tuesday afternoon Col. A. G. Curtin, accompanied by Hon. Francis Jordan, J. Veesh and E. P. Oliphant, Esq's., passed through this place enroute for Greensburg. Quite a large crowd of our citizens assembled at the depot to greet "the next Governor of Pennsylvania." Mr. Jordan made an effective speech, exposing the Free trade policy of the Democracy.

MEETING IN HOPEWELL TOWNSHIP.

The People's party of Hopewell Township, will meet at the School House, near John Dasher's, on Wednesday evening, the 31 day of October. Addresses will be delivered by Hon. Alex. King and others. The neighboring Townships are invited to attend. Let there be a good turnout.

Meeting in Union.

Our friends intend holding a meeting, on Tuesday afternoon, next, at 4 o'clock, in Lewisville, Union Township. Speakers will be present to address the meeting. Turn-out, gallant voters of Union.

BACKED OUT.—The valiant Henry D. Foster has backed out from meeting Col. Andrew G. Curtin, on the stump.

ARE YOU ASSESSED?

If not, attend to this matter without delay. After (to-morrow), 29th of Sept. inst., it will be too late. Friends, in all the Townships and Boroughs in the County, attend to this and see that yourselves, and all others of our friends are on the assessment books. It would be too bad if we were to lose a vote on account of not being assessed.

Who is Maj. Tate For?

Maj. S. H. Tate is electioneering with Breckinridge men, as a Breckinridge man, and with Douglas men as a Douglas man. Who is he for? Won't he cheat somebody. Douglas man, Breckinridge man, can you trust him. To be sure you won't be cheated, make him sign a statement with his own name stating for whom he intends to vote for President.

THE THREE MILL TAX.

Col. S. S. Wharton, has come out, in a Card in the last Huntingdon Journal, stating that he is against the repeal of the three mill tonnage tax. Col. John Scott is the Solicitor of the Pennsylvania Rail Road Company, and is, no doubt, in favor of the repeal. Choose ye between them.

THE FAIR.

The Bedford County Fair commences on next Tuesday, and continues three days. We hope to see a good attendance, and a first-rate display of the products of the farmer, manufacturer and mechanic. The ladies, also, should be on hand with the articles of their skill.

Broadtop and Congress.

We understand that the friends of Mr. Schell are urging his special claims because of his services rendered to Broadtop. We submit it as a fact worthy of consideration, that Broadtop has done more for Mr. Schell than ever he did for it.

LOCOFOCO TICKET.

Breckinridge men of Bedford County, remember that Foster, Schell, Scott, Tate, John J. Cessna, McMillin, and every man on the Democratic ticket, is for Douglas. How do you like it!

John Scott of Huntingdon, voted against James Campbell, for Supreme Judge, several years ago, giving as his reasons, that Campbell was a Catholic. So says the Huntingdon Journal.

NEW GOODS.—J. M. Shoemaker & Co. have received a new lot of cheap fall and winter goods. They desire all their friends and the public generally to give them a call.

Wm. P. Schell, Esq., made a strong speech at the Douglas ratification meeting in Bedford, in favor of Douglas. Remember this, Breckinridge men of Bedford, Franklin, Juniata, Adams and Fulton. Don't be deceived, for he is in favor of the straight Douglas ticket headed by John Cessna.

For the Inquirer.

HON. W. P. SCHELL.

Mr. OVER:—In your paper of last week, your correspondent, "East Providence," wishes to know if it is true that the Hon. Wm. P. Schell killed the Witness Fee Bill in the Senate. As I have been asked that, or similar questions by other portions of the county, I feel it my duty, therefore, as the representative from this county, to answer that question.

In the first place, when I went to Harrisburg last winter, I had my mind on two bills which I was very anxious to get passed, viz: One for the sale of our County Poor House property, the other to raise the fees of witnesses attending Court in Bedford county, to one dollar per day. Accordingly, on the 24th day of January last, I had a bill passed through the House, allowing witnesses one dollar per day and mileage, which bill was sent to the Senate for concurrence. (See House Journal, page 152.) I called Mr. Schell's attention to the bill on the 28th of January, and he promised to attend to it. I called his attention to it several times during the session, and he always promised to call it up in the Senate, but neglected to do so. I called on him on the 2d of April, just the day before the adjournment. He promised me then, that he would positively call it up and put it through. I urged him to do so, and told him that I believed that at least nine persons out of ten in the county wished the bill to pass.

After all his promises, he never did anything with it. It was not for the want of time, for he had all the time that he needed. Now, your correspondent from East Providence is mistaken in supposing that Mr. Schell killed the witness fee bill. He did not do that, he only let it die. Whether Mr. Schell was opposed to giving witnesses attending Court as much as would pay their boarding, or whether he was determined to oppose everything that I wished to get passed, I am unable to say. I had two other bills, one for the removal of the election in Middle Woodberry Townships, which were treated in the same way. As for the Poor House bill, the people of Bedford County understood it perfectly well, and will know whether Mr. Schell's amendment made it any better, or whether they were calculated to injure it; that is for them to judge.

I will also here state, that Mr. Schell and myself were on the best kind of terms all the time, and he could not have treated me better, only he refused to pass my bills. I, on the other hand, passed all his bills (which were a good many), through the House, except one to prevent the fishing for trout, with seines and nets, in the county of Bedford. I do not wish to say anything calculated to injure Mr. Schell, for I entertain none but friendly feelings towards him. My object is to give facts, and settle wrong impressions amongst the people through the County of Bedford, on this subject.

G. W. WILLIAMS, NAPIER Tp., Sept. 25, 1860.

PENNSYLVANIA.

In the Pennsylvania State Election of 1856, the Fremont and Fillmore parties were allies, having formed their State Ticket prior to the nominations for President. They were prepared to carry, and would have carried that Election by about Ten Thousand majority, when their opponents, just before the day of trial, raised large amounts of money, mainly in this City, bought up there with some nominally Fillmore leaders, fabricated and distributed whole truckful of counterfeit Naturalization Certificates, and carried the State in a grand surge of corruption and fraud, by some Three Thousand majority. This triumph of Slum Democracy was simply a gigantic swindle, as was judicially proved in a contest of the election of District Attorney in Philadelphia, and still further established by the Covode Investigation. And that swindle secured the elevation of James Buchanan to the Presidency, and so—in the slang of the day—"saved the Union." If the Union could in truth only be saved by such means, would it be really worth saving?

At her two last State Elections, Pennsylvania has been carried by the united Opposition or "People's Party" by an average majority of Twenty Thousand; and that party, in full Convention, has nominated Col. Andrew G. Curtin for Governor and sent delegate to Chicago who there procured the nomination of Abraham Lincoln for President. They had the choice among all the candidates outside of Pennsylvania, and they deliberately and unanimously chose Mr. Lincoln as the man who, by his known antecedents, his personal character, and his well understood principles, was the very man to combine their suffrages and carry their State. Their voice was foremost among the influences which secured his nomination.

A very small segment of the People's party has booted this nomination, and pretends to support John Bell, along with the little band of Democratic stool-pigeons who, hitherto calling themselves "straight Americans," have for years been hired and used to distract the Opposition and aid the party in power. (See S. J. Megargee's testimony before the Printing Investigation Committee.) These together are now dinging-donging a lot of bells with the plain intent of giving aid and comfort to the Naturalization swindlers of 1856. But how can they deceive anybody? They have no Bell Electoral Ticket, and do not mean to have any, unless as a blind; their votes will be given for those who have repeatedly bought and used them. Their immediate business is to abstract as many votes from Curtin as possible, and thereby secure the election of Henry D. Foster, the Fusion Democratic candidate for Governor.

We trust this unprincipled coalition is to be beaten, but it will require the utmost exertions of the Lincoln men of Pennsylvania. They have the supporters of Douglas, Breckinridge and Bell all combined on Foster, which will give him thousands of votes that cannot be united on any conceivable Electoral Ticket.—The utmost efforts of the Republicans and People's men must be put forth to secure Curtin's election, and to this end we make a final and urgent appeal.

MEN OF PENNSYLVANIA! you stand in the Thermopylae of this momentous struggle! You can see that the triple-headed adversary can not combine all its forces on a common Electoral Ticket—that the Douglas men spurn the idea of voting for Breckinridge, and have nominated a clean Electoral Ticket—that the Adopted Citizens cannot be induced to vote for Bell Electors, while thousands now acting as Bell men cannot be induced to vote a Fusion Ticket from which the names of Bell men are excluded. But the county cannot, will not see this; and the great multitude of hesitating, dubious, indifferent, will regard Curtin's defeat as putting the State against Lincoln in November. Such a result in October would be hailed by our motley adversaries as a death-blow to our cause, and would aid them in tussling and uniting their incongruous factions into one common party. Blest Curtin, and the Presidential contest is decided; let him be defeated, and we shall have to struggle desperately to the close of the polls in November. By the sacred memories of Independence Hall, of Brandywine, of Valley Forge, of Germantown, we entreat you to do your very utmost for Curtin and your Congressmen in the October Election!—N. Y. Trib.

Keep it Before the People!

That every vote cast for Henry D. Foster, at the State Election, is a vote to sustain and endorse the present wretched National Administration!

That every vote cast for Henry D. Foster is a vote in favor of the spread of Human Slavery!

That every vote cast for H. D. Foster is a vote against the Homestead Bill!

That every vote cast for Henry D. Foster, is a vote against the Protection of American Industry!

That every vote cast for Henry D. Foster, is a vote approving of the robberies which have been committed during the past three or four years by Buchanan and his coadjutors upon the public Treasury!

That every vote cast for H. D. Foster, is a voice endorsing the Dred Scott decision which says that the Constitution carries Slavery into every Territory of this Union!

That every vote cast for Henry D. Foster is an indirect vote for JOE LANE for the Presidency!

Freemen, remember these things when you come to deposit your ballots.

LOOK AT THE RECORD.

Who voted against the tariff? The Democrats in Congress. Who voted to extend Slavery into Kansas? The Democrats in Congress. Who voted in favor of sustaining Polygamy in Utah? The Democrats in Congress. Who voted in favor of a slave code for New Mexico? The Democrats in Congress. Who voted against the free Homestead Bill? The Democrats in Congress.

They are in favor of Slavery. They are opposed to protection. They are in favor of Polygamy in Utah. They are opposed to giving homes to the poor and Homeless. Honest democrats, can you, will you, vote with such a party?

Hon. Dan'l S. Dickinson, having been applied to three days ago, on the guarantee of the Union Electoral ticket of New York, is said to have assented thereto, and that the vote is in favor of Schell, but the facts are not known.
