LINSEY'S IMPROVED BLOOD SEARCHER. A STANDARD MEDICINE.

This medicine has wrought the most miraculous cures in desperate cases of Cancerous formations, Erysipelas, Boils, Scald Head, Rheumatic Disorders, Goutiness, Salt Rheum, General Debility, Loss of Appetite, Foul Stomach, Female Complaints, and all Diseases having their origin in an impure state of the Blood.

The above is a portrait of David McCreary, a native township, who, on the 31st day of August 1858, made affidavit before Justice Goolley that he was treated for the cure of Cancer by three physicians of Bedford County, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his life, and a portion of his left cheek were entirely eaten away!

We also refer to the case of Nancy Blakely, of E. deton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in An-oville, Clerford county, who was also afflicted with Scrofula in its worst form.

To the case of George Meist, residing in Carrollton, Cambridge county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off and his case was worse, if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.

BEDFORD MACHINE SHOP!

THE subscriber would most respectfully announce to the farming community, and public in general, that he still continues to manufacture at his shop, in Bedford, Pa., the following farming utensils of the very best material, and in the most workmanlike manner, viz:

Four and Six Horse Tumbling Shaft Power Machines, with large open cylinders, six staves, and spikes screwed in, and improved Straw Shakers attached.

Three Horse Tumbling Shaft Power Machines, a very convenient and excellent machine for small farmers, with or without shakers, single and double Shaft Ploughs, Horse Rakes, Leaver Cutting Boxes, Harrows and Wheelbarrows, made to order.

All the above articles constantly on hand, and sold on reasonable terms.

Repairing of all kinds of Machines, whether made here or elsewhere, done on the shortest notice.

Castings for all my Machines, made at the Foundry of Sires & Torrey, in Bedford, and will compare with any made in the State for strength and durability.

HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system as to secure permanent health.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation.

Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may be attributed to derangement of the digestive organs, can be cured without ail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated.
