During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very hap-py result : two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Dear Sir:--I feel it my duty as well as my pleas-tre, to state to you the following circumstance, which you can use as you think proper. A gentle-man of this place, (a lawyer,) has been bold ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restonative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentlema's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give fit to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yous, &c., THOMPSON SURGHNOR.
