Bedford County.

We have achieved a glorious victory, in Bedford County. Foster's majority in the County is about 100—a considerable gain over last year for us. Schell has only 270, instead of from 600 to 800 as himself and friends confidently claimed. Tate has 174 majority, Cessna, for Sheriff, has only about 150. Fichtner, the People's candidate for Commissioner is supposed to be elected by about 20 majority—the rest of the Lincoln ticket is elected by a small majority. Our own men elected Tate and Cessna, and now have the gratification of hearing Tate crow over them. If Schell had not been on the ticket for Congress, we would have carried every man in our County ticket—Schell's personal popularity, and his money, saved Tate and Cessna, and if Tate had the generosity he ought to have, he would pay Schell the half of his electioneering expenses, for saving him. Bedford County has done gloriously, and she will give honest old Abe a clear majority on the 6th of November.

Congress—(Unofficial).

Table with 2 columns: Name and Votes. Adams, Bedford, Franklin, Fulton, Juniata, McPherson, Schell.

McPherson, Maj. 501

*We believe this to be a mistake as we are under the impression that McPherson's majority is at least 100 larger in Adams.

Senator—(Unofficial).

Table with 2 columns: Name and Votes. Bedford, about, Huntington, Somerset, Glory enough, Wharton, Scott.

Legislature.

Our candidates for the Legislature, Messrs. Ashmun and Schrock, are elected by about 1200 or 1500 majority.

THE BANNER TOWNSHIP.—Middle Woodbury Township is undoubtedly the Banner Township in this campaign. She gained about 87 votes over last year. Our other Townships, particularly St. Clair, South Woodbury, Union, Snake Springs, the two Providences, Monroe, and Liberty did nobly. If two or three of the other districts had done as well, we would have carried the whole ticket.

Will our friend of the Gazette be so kind as to lean us his rooster? We want to have a big crow.

We will publish the official returns of Bedford County in our next.

"We have met the enemy and they are ours!"

PHILA. Oct. 11, 1860.

To INQUIRER:—Additional returns of the election held on Tuesday indicate the triumph Andrew G. Curtin for Governor, by a large majority, probably twenty five thousand. The success of about twenty of the twenty-five Congressmen, and a Republican majority in both branches of the Legislature.

Indiana—The Republican State ticket is undoubtedly elected—majority from five thousand to ten thousand. Eight Republican Con-

gressmen are elected and the Legislature is probably Republican. Ohio—The Republicans have carried their State ticket by about twenty thousand majority and the probable choice of seventeen Congressmen.

Tribute of Respect.

At a meeting of the Schellsburg Black Planted Riflemen, Sept. 30, 1860. Capt. G. S. Mullin was appointed President, and Wm. J. Smith Secretary. The following preamble and resolutions, in regard to the death of Archibald Finley, were proposed and unanimously adopted:

WHEREAS, it has pleased Almighty God, in his infinite wisdom, to remove from our midst by the hand of death, our worthy and beloved comrade, Archibald Finley, be it therefore Resolved, That while we bow in humble submission to the will of God, we can but deeply deplore the departure of him whose death has thrown a deep gloom over all our hearts.

Resolved, That by this solemn dispensation of Providence, the company has lost one of its most worthy members, one of its brightest ornaments—in short, a loss that will not soon be repaired.

Resolved, That we unite our sorrow for his death with the bereaved widow and friends of the deceased, and in this sad dispensation we recognize the voice of God, speaking to us, "Be ye also ready."

Resolved, That we attend the funeral in a body, showing to the deceased the usual military respect to which he is entitled, and also that we wear the usual badge of mourning for thirty days.

Resolved, That a copy of these resolutions be sent to the family of the deceased, and also to both the county papers for publication.
