Prov. O. J. Woon: Deer Sir:— Your hair Restorative is rapidly gaining popularity in this commonly. I have had occasion to by projudice aside, and give your itair Restorative a perfect lest:—
During the year 1854. I was so unfortunate as to be thrown from my sufky against a rock near the roadside, from which my head received a most terrible blow; ransing a great deal of irritation, which communicated to the brain and external surface of the head. I from the effects of which my hair was finally destroyed over the entire surface surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I flist discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was dually descated in every prescription advanced.

Tacse and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two mouths after the first application, I had as beautiful a head of young hair as I ever s.w, for which I certainly owe you my most sincero thanks. Rest assured, dear sir, I shall recomment your remedy to all imprirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper.
Yours, very respectfully.
