HOSTETTER'S STOMACH BITTERS.

Ir is a fact that, at some period, every mem-It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfactured. his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, howels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arksing from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation.

Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without and by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

Fever and Ague.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere sha-

ing disease, which fixes its reientless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be drive a from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used in exposed situations, if the Bitters are used as per directions. And as they neither create nauses nor offend the pallte, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and negations of a thorough such negations.

duction of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nour-ishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vicor to the system. temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Vegetable Life Medicines.

A mild yet effectual medicine, composed of the Leansing of the alimentary canal and relieving the springs and avenues of life of all morbid obstructions and impurities, must be a public blessing and a domestic and individual protection and safeguard, in proportion as it becomes known. Such a medicine the families of the United States have long had in Moffat's Celebrated Life Pills and Phennix Bitters, and the good they have done is inestimable. They have wou their high fame and firmly established character by their virtues alone, without the aid of the usual arts of notority or impudent experiment on the faith of the credulous. In all general derangments of the digestive and alimentary functions, as well as in a vast variety of acute and chronic diseases, their effects are prompt and complete as to excite astonishment.

In rheumatism, settled pain in the organs and limbs, costiveness, piles, liver companius, jaundice, nervous and bilious attacks, headaches, fever and ague, eruptive diseases, bad aspect of the complexion, indigestion and fatulency, cholics, affections of the bladder and kidneys, dropsy, asthma and bronchitis, rheumatic colds and sore throats, and indeed in almost every conceivable kind of ill health they are invaluable, and will afford certain, and most generally permanent relief. They require neither confinement nor change of diet—they neither prostrate the strength nor give pain—and a more delightful and effectual medicine cannot be procured ether for individuals or families.

The proprietor has received for many years and is continually receiving the most fervent and grate-

for individuals or families.

The proprietor has received for many years and is continually receiving the most fervent and grateful testimonials of their value. Prepared and sold by Dr. WM. B. MOFFAT, 335 Broadway, and
