The deceased was an amiable youth, and of christian parentage. He had never made a profession of religion, but his relation to the evenant, and his religious exercises during his sickness encourage the hope that he was pre-pared for death. He seemed to have a deep consciousness of his sinfulness, to realize his lependence, for divine acceptance on the merits of the Saviour and expressed a hope of salvation through the Lord Jesus Christ.

His last sickness was of but a few weeks continuance, and having an apprehension, almost from the first, that it would result in death, he was solicitions about his preparations for its saue. At his request, passages of the word of God were frequently read to him, and the revelation of God's grace in the gospel of his Son, was a subject of frequent contemplation.

This is a most perfect preparation, and seldom fails to do good. It is harmless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving case and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suffering. There is hardly a pain it will not ease.—There is hardly an accident that will occur where it will not be useful.

Should one of your family get burned or scalded, cover the burned part with a cloth of several

It will cause a prickling sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prickling ceases. Let the wet cloth stay on and prickling ceases. Let the wet cloth stay on for six or eight hours, after which apply some healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.—Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning.

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be unde. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases. to afford an effective antidote for the diseases. Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

— SCROPULA AND SCROPULOUS COMPLAINES, EAUTTONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TEMORS, SAET RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-

SCALD HEAD, STPHLIS AND SYPHLETIC AF-FECTIONS, MERCUEIAL DISEASE, DROPSY, NOC-RALGIA-OR THE DOULDUBERY, DEBLICIT, DIS-FERSIA AND INDIOESHOY, EXISTRELAS, ROSE OR ST. ANDRONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE RUGOS.

class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great pro-moter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pinneles, cruptious, bursting through the skin in pinnles, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veir.s; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go whur, and the great machinery of

must go whing, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which fleed the market, until the name itself is justly despised, and has become synenymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of chloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the discesses it is intend. believing it has virtues which are irresistible by the ordinary run of the diseases it is intend-ed to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on
