HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, tion to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhæa, dysentery or flux, so generally contracted by new settlers, and caused principally

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which the ways be attributed to derangements of digestive organs, can be cured without all by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infalthen why not use an article known to be infal-lible? All nations have their Bitters, as a pre-ventive of disease and strengthener of the sys-tem in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation ema-

nated, hased upon scientific experiments which have teaded to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time and rendering him to dow in a short time, and rendering him physically and mentally useless, can be driven from the bedy by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced-Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as

suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nour-ishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetten's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.
