THE ONLY PREPARATION Having proofs so strong and direct as to EXPEL THE DOUBTS OF ALL.

For Statesmen, Judges, Editors, Physicians or the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and hair; but all who have used it, unite in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:—

Oak Grove, S. C. June 24, 1859. Prof. O. J. Wood: Dear Sir—Your Hair Restorative is rapidly gaining popularity in this country. I have had occasion to lay it to rest and give your Hair Restorative a perfect test. During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of being a professional man myself, and as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use your influence, which I flatter myself to say, is not a little.

You can publish this if you think proper. Yours, very respectfully, M. J. WRIGHT, M. D. Office of the J. Furston, Philadelphia, Pa., Dec. 12, 1858.

Dear Sir—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer), has been blind ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement. I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in the adjoining counties if you have the proper agents. Yours, etc. THOMPSON SURGINOR.

Dr. Wood: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. S. THALBERG.

The Restorative is put up in bottles of three sizes, viz: large, medium and small holds 2.50, 1.50 and 1.00 respectively. The medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for three dollars per bottle. HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good remedy, the disease of plain common sense, they may be able to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength, and in this respect, the Bitters of Hostetter is introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, Liver, and Liver, restoring them to a healthy and vigorous state, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may be attributed to derangement of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; but why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease, and the Bitters of Hostetter is in general; and among them there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the case of HOSTETTER'S RENOVATING BITTERS. This trying and prostrating disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOVATING BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, and consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should consult their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

MOFFAT'S Vegetable Life Medicines.

A mild yet effective medicine, composed of the best material known to medical science, for the cleansing of the alimentary canal and relieving the springs and avenues of life of all morbid obstructions and impurities, must be a public blessing and a domestic and individual protector, so judiciously in proportion as it becomes known. Such a medicine the families of the United States have long had in MOFFAT'S CELEBRATED LIFE PILLS AND PLEASANT BITTERS, and the good they have done is inestimable. They have won their high fame and firmly established character by their virtues alone, without the aid of the usual arts of notoriety or impudent experiment on the faith of the credulous.

In all general derangements of the digestive and alimentary functions, as well as in a vast variety of acute and chronic diseases, their effects are prompt and complete as to excite astonishment.

In rheumatism, settled pain in the organs and limbs, costiveness, piles, liver complaints, jaundice, nervous and bilious attacks, headaches, fever and ague, eruptive diseases, bad aspect of the complexion, indigestion and flatulency, cholera, affections of the bladder and kidneys, dropsy, catarrhs and bronchitis, rheumatic colds and sore throats, and indeed in almost every conceivable kind of ill health they are invaluable, and will afford certain, and most generally permanent relief. They require neither confinement nor change of diet; they neither prostrate the strength nor give pain—and a more delightful and effectual medicine cannot be procured either for individuals or families.

The proprietor has received for many years and is continually receiving the most fervent and grateful testimonials of their value. Prepared and sold by Dr. W. M. MOFFAT, 335 Broadway, and also by the agents.

Feb. 17, 1860.
