THE XXth Volume of the WEEKLY TRIBUNE THE XXth Volume of the WEERLY THEORE commenced with the issue of Sept. 1. During the past year The Tribune has been obliged to devote quite a large proportion of its space to Politics, but we shall soon be able to forego Political dis-cussions almost entirely, for months if not for years, and devote nearly all our columns to sub-jects of less intense, but more abiding, interest.— Among these, we mean to pay especial attention to.

to. I. EDUCATION.—The whole subject of Education, both Popular and General, will be discussed in our columns throughout the year 1861, and we hope to elicit in that discussion some of the pro-foundest thinkers and the addest instructors in our country. Let the wet cloth stay on for six or eight hours, after which apply some healing ointment or sweet cli. In nearly all ceases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.-Rub it on freely with the hand or with a fiannel cloth until the skin becomes heated and burning. Tor soreness of the throat rub it on until it pro-duces a little soreness. For Croup use it in connection with the Cough Symp, by rubbing it on the chest. For Rheumatism and all deep seated pains, if the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it...
