

Coughs and Colds. Coughs and Colds!

Let no one neglect a cold or a slight cough. Thousands, doing so, have had one cold added to another, until the mucous membrane, lining the air passages, has become excessively irritated, and even permanently thickened, and soon chronic cough, chronic pneumonia, and consumption follow along. The best time to cure all this is when it begins. If you are so fortunate as to possess a case of Humphrey's Specific Homoeopathic Remedies, and if you do, you ought to at once take a cough pill, and then two or three pills per day, with care as to renewed exposure, will bring you all right in a day or two.

If your cough has got further along, then more care and more patience is necessary for a cure, though it lies in the same direction. Our advice is, to keep the feet warm, the head cool, and take Humphrey's Homoeopathic Cough Pills. Price, 25 cents per box, with directions. Six boxes, \$1. N. B.—A full set of HUMPHREY'S HOMOEOPATHIC SPECIFICS, with Book of Directions, and twenty different Remedies, in large case, costs \$5; ditto, in plain case, \$4; case of fifteen boxes, and Book, \$2. These Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Address—Dr. F. HUMPHREY'S CO., No. 562 Broadway, New York.

THE ONLY PREPARATION

THAT HAS STOOD THE TEST OF YEARS, AND GROWS MORE AND MORE POPULAR EVERY DAY!

And testimonials, now, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will redress the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty. Battle Creek, Mich., Dec. 21, 1858.

Prof. Wood: This will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hedges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions and the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destitute of means to purchase any more, I would ask thee if thou wouldst not be willing to send me an offer on the scriptural declaration—the reward is to those that are kind to the widow and the fatherless.

Thy friend, SUSANNAH KIRBY. Ligonix Noble Co., Indiana, Feb. 5, 1859.

Prof. O. J. Wood: Dear Sir—In the latter part of the year 1852, while residing the State and National Law School of the State of New York, I contracted the complaint known as baldness, falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me as the same person.

I at once made application to the most skillful physicians in the country, but receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my lot, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, I now possess a coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are being it with like effect.

Very respectfully yours, A. M. LATTA, Attorney and Counselor at Law. Depot, 444 Broadway, and sold by all dealers throughout the world.

The Restorative is put up in bottles of three sizes, viz: large, medium and small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for three dollars per bottle.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which the skin becomes vitiated, weak, and poor. Being in the circulation, it permeates the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may be easily destroyed. The scrofula thus variouly attacks the bowels, the lungs, the joints, the skin, or in unhealthy food, impure air, filth and lathy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in its character, descending "from parents to children, from the third and fourth generation;" indeed, it seems to be the rod of him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by disposition from the liver, either eruptions or eruptions, which, in the lungs, liver, and internal organs, is termed scrofula; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which renders the blood, depresses the energies of life, so that scrofulous constitutions, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, had not scrofulous in their nature, were scarcely regarded as fatal. It is this system, then, that should be employed for the cure of this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and indeed, of all the organs, arise from an aggravated form of the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alternative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla.

the most effectual remedy which the medical art of our times can derive for this every where prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Heretofore should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERYTHEMA and SKIN DISEASES, ST. ANTHONY'S FIRE, ROOK, OR ERYTHRAELAS, PUPPLES, PUSTULES, BLOTCHES, BLAISES AND BOARS, TUMORS, TETTER, AND SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, STYLLITIS AND MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, INDEED, ALL COMPLAINTS ARISING FROM VITIALED OR IMPURE BLOOD. The popular belief in "Purify of the Blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, as so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search and cleanse, and invigorate every portion of the human organism, restoring its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health and energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of the body, but they are also found in the most dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for the use of my medicines. Write for it to—Geo. J. Wood & Co., Proprietors, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease. So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of our country abounds in persons who can testify to the efficacy of this medicine. It cures even the most severe and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures too numerous and too remarkable to be forgotten.
