SHRINER'S MASTER OF PAIN. THE GREAT EXTERNAL REMEDY,

There is hardly an accident that will occur where it will not be useful.

Should one of your family get burned or scalded, cover the burned part with a cioth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prickling sensation—this is the fire coming out. Keep it wet with the "Master of Pain," until the pain and prickling ceases. Let the wet cloth stay on for six or eight hours, after which apply some healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.—Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning.

For soreness of the throat rub it on until it produces a little soreness.

For Croup use it in connection with the Cough Syrup, by rubbing it on the chest.

For Rheumatism and all-deep scated pains, if the pain is not speeduly removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it.

For Pains in the Breast, Side or Back, the same may be done.

For Tooth-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and cheeks with it.

For Frosted Feet, apply the "Master of Pain"

For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire.

For Head ache rub it on the forehead.

It is called "Master of Pain." I did not give it this name—I don't like the name. When I first commenced making it it was without name or label. I made it and sold it by the cance at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain.

Reader—try it—take a bottle with you—use it whenever occasion requires—give it a fair trial.

I had never heard of it at that time but a Mr. Anghinbaugh from your state happened to be present and said it was one of the best cough remedies in use and happening to need a caugh medicine in my family I determined to give it a trial, and so well pleased was I with its effects that I gave bottles of it to my friends all of whom agree with me in pronouncing it the best cough remedy they have ever met with. We have used it for Coughs, Colds, Croup and Whooping Cough, and in every case it gave the most signal relief.—Yours truly,

Vegetable Life Medicines.

A mild yet effectual medicine, composed of the best material known to medical science, for the cleansing of the alimentary canal and relieving the springs and avenues of life of all morbid obstructions and impurities, must be a public blessing and a domestic and individual protection and safeguard, in proportion as it becomes known. Such a medicine the families of the United States have long had in Moffar? Celebrated Life Pills and Phonix Butters, and the good they have done is inestimable. They have won their high fame and firmly established character by their virtues alone, without the aid of the usual arts of notority or impudent experiment on the faith of the credulous. In all general derangments of the digestive and alimentary functions, as well as in a vast variety of acute and chronic diseases, their effects are prompt and computer as to excite astonishment.
