BEDFORD INQUIRER.

THE TRIBUNE FOR 1861.

PROSPECTUS.

THE XXth Volume of the WEEKLY TRIBUNE commenced with the issue of Sept. 1. During the past year The Tribune has been obliged to devote quite a large proportion of its space to Politics, but we shall soon be able to forego Political dis-cussions almost entirely, for months if not for years, and devote nearly all our columns to sub-jects of less intense, but more abiding, interest.— Among these, we mean to pay especial attention to.

Among these, we mean to pay especial attention to. I. EDUCATION.—The whole subject of Education, both Popular and General, will be discussed in our columns throughout the year 1861, and we hope to elicit in that discussion some of the pro-foundest thinkers and the ablest instructors in our country. It is at once our hope and our resolve that the cause of Education shall receive an impe-tus from the exertions of THE TRIBUNE in its be-half during the ware 1861.

Laborer. The progress of Mining, Iron-Making, Steel-Making, Cloth-Weaving, &c., &c., in our country and the world, shall be watched and re-

country and the world, shall be watched and re-ported by us with an earnest and active sympathy. IV. FORZIGN AFFAIRS.--We employ the best correspondents in London, Paris, Turin, Berlin, and other European Capitals, to transmit us early and accurate ndvices of the great changes there silently but certainly preparing. In spite of the pressure of Domestic Politics, our News from the Old World is now varied and ample, but we shall have to render it more perfect during the eventful year just before us. V. HOME NEWS.---We employ regular paid cor-respondents in California, at the Isthuma of Dari.

SHRINER'S MASTER OF PAIN.

THE GREAT EXTERNAL REMEDY, For Sprains and Bruises, Burns and Scalds,

Rheumatic and Neuralgic Parns, Swel-lings, Stiff Joinis, Parulysis, or Numbness of the Limbs, Pains in the Breast, Side or Back; Sore Throat, Tooth Ache,

Frosted Feet, &c., &c., And for the Relief of Pain Anywhere

and Everywhere. and Everywhere. This is a most perfect preparation, and seldem fails to do good. It is harnless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving ease and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suf-fering. There is hardly a pain it will not eass.— There is hardly an accident that will occur whore it will not be useful.

that the cause of Factorian focure an info-tus from the exertions of The TRIBUNE in its be-half during the year 1861. II. Agground the second second second second restrict our elucidations of this great interest throughout 1860, and shall endeavor to atone there-for in 1861. Whatever discovery, deduction, de-monstration, is calculated to render the reward of labor devoted to cultivation more ample or more certain, shall receive prompt and full attention. III. MANUFACTURES, &c.— We hall every inven-tion or enterprise whereby American Capital and Labor are attracted to and advantageously em-ployed in any department of Manufacturing or Mechanical Industry as a real contribution to the Public Weal, insuring ampler, steadier, more con-venient, more remunerating markets to the Farm-er, with fuller employment and better wages to the Laborer. The progress of Mining, Iron-Making,

There is herdy an acchemic that will occur whole it will not be useful. Should one of your family get burned or scald-ed, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prick-ling sensation.—This is the fire coming out. Keep it wet with the "Master of Pain" until the pain and cristing cause. Let the wet cloth stay on ing sensation-this has the of Pain" until the pain and prickling ceases. Let the wet cloth stay on for six or cight hours, after which apply some bealing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.— Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning. For soreness of the throat rub it on until it pro-duces a little soreness. For Croup use it in connection with the Cough Syrup, by rubbing it on the chest. For Rheumatism and all deep seated pains, if the pain is not speedily removed by rubbing with the hand, lay a clath wet with the liquid over the part affected, and pass a warm smoothing iron over it.

For Pains in the Breast, Side or Back, the same

may be done. For Tooth-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and

For Footn-ache, drop it on cotton, and appy it to the nerve of the tooth, also rub the gums and cheeks with it. For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire. For Head-ache rub it on the forehead. It is called "Master of Pain." I did not give it this name-1 don't like the name. When I first commenced making it it was without name or label. I made it and sold it by the otince at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain. Reader-try it-take a bottle with you-use it whenever occasion requires-give it a fair trial. Prenared by W. E. Shriner, Westminister Md.
