SHRINER'S MASTER OF PAIN. THE GREAT EXTERNAL REMEDY,

For Sprains and Bruises, Burns and Scalds Rheumatic and Neuralgic Pains, Swellings, Stiff Joints, Paralysis, or

Numbress of the Limbs, Pains in the Breast, Side or Buck; Sore Throat, Tooth Ache, Frosted Feet, &c , &c., And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldom fails to do good. It is harmless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving case and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suf-

and it will save you many hours of pain and suffering. There is hardly a pain it will not east.—
There is hardly an accident that will occur where it will not be useful.

Should one of your family get burned or scalded, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and the teleth saturated with it. In a short time it will draw all the fire out. It will cause a prickling sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prickling ceases. Let the wet cloth stay on for six or eight hours, after which apply some healing outment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limis or Joints, it will give reltef.— Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning.

cloth until the skin becomes heated and burning.

For soreness of the throat rub it on until it produces a little soreness.

For Croup use it in connection with the Cough yrap, by rubbing it on the chest.

For Rheumatism and all deep seated pains, if the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it.

For Pains in the Breast, Side or Back, the same ay be done. For Tooth-ache, drop it on cotton, and apply it

to the nerve of the tooth, also rub the gums and

freely, and dry it in before the fire.

For Head ache rub it on the forehead.

It is called "Master of Pain." I did not give ! For Head ache rub it on the forehead.

It is called "Master of Pain." I did not give it this name.—I don't hike the name. When I first commenced making it was without name or label. I made it and sold it by the ounce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to alopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometives it will cause pain, but the result always is freedom from pain.
