Should one of your family get burned or scald ed, cover the burned part with a cloth of several thicknesses wet with the "Master of Paih," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prick-ling sensation...this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prickling ceases. For Croup use it in connection with the Cough Syrup, by rubbing it on the chest. to the nerve of the tooth, also rub the guns and checks with it. For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire. For Head acker rub it on the forchead. It is called "Master of Pain." I did not give it this name-I don't like the name. When I first commenced making it it was without name or label. I made it and sold it by the cunce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And findly, when I had a label printed it was compelled to alor the name, for by that name it was known. After all, the name is not so very imppropriate. It is used to alleviate or romove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain. Réade-try it—take a botthe with yon--use it whenever coeasion requires give it a fair trial.
