to the nerve of the tooth, also rub the gums and checks with it. For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire. For Head-ache rub it on the forchead. It is called "Master of Pain." I did not give it this name-I don't like the name. When I first commenced making it it was without name or label. I made it and sold it by the ounce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to allevinate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain. PROF. O. J. WOOD : Dear Sir :- In the latter part PROF. O. J. WOOD: Dear Sir: --In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced failing off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereit of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when f tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to dis-cover the cause of the change in my appearance, as my more infinance acquaintances were to recog nize me at all.

cover the cause of the change in my appearance, as my more infinate acquaintances were to recog-nize me at all. I at once made application to the most skillful physicians in the country, but receiving no as-surance from them that my hair could again be re-stored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the dosired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no movey can buy. As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy te inform you, are using it with like effect.
