### FROM CHARLESTON.

WASHINGTON, March 24 .- The Charleston Courser of Friday says that Surgeon Fox, of the U. S. Navy, had arrived with orders from Washington to visit and report in relation to the condition of Fert Sumter. He was permitted to visit Major Anderson, on condition

of being accompanied by Capt. Hartstein. The Courier also reports the arrival of Mr. of being accompanied by Capt. Hartstein. The Courier also reports the arrival of Mr. Holmes, formerly of Congress from South Car-olina. He says that, before he left Washing-too, Mr. Seward desired him to say to the people of Charleston that he was for a peace-ful settlement, and would do everything in his power for an amicable arrangement of affairs. Mr. Holmes also reports that Gen. Scott gave aimilar sasurances, and that the President far-vors the policy, and that a majority of the Cabinet desire a withdrawal of the troops from Fort Pickens as well as Fort Sumter. # Ayer's Sarsaparilla

A compound remedy, in which we have la-bared to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sursaparilla, so combined with other substances of still greater alterative power us to afford an effective antidate for the disease's Sursaparilla is reputted to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afficited fellow-citizens. How completely this compound will do it has been proven by exper-iment on many of the worst cases to be found

compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints: --SCROPULA AND SCROPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-PECTIONS, MERCURIAL DISEASE, DROPSY, NEU-BALDIA OR THE DOULOUMEUX, DEBILITY, DE-PERSIA AND INDUSTION, EXAMPLES, RORE, SCAN, SC PEPSIA AND INDIDUSTION, EXYSTELAS, ROSE on ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF

class of complaints arising from Literative of the state class of complaints arising from Literative or rate BLOOD. This compound will be found a great pro-moter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous scres, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is ob-structed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder whenever it is fool, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood bealthy, and all is well; but with this pabulum of life disordered, there can be po-lasting health. Sconer of later komething must go wrong, and the great machinery of life is disordered or overthrown. Sarseparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations.

for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

contain but little of the virtue of Sarsaparilla, or any thing else. During late years the public have been mis-led by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain ittle, if any, Sarsapa-rilla, but often no curative properties whatev-er. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intend-ed to cure. In order to secure their complete eradication from the system, the remedy should be judicisusly taken according to directions on the bottle. PREPARED BY
