SHRINER'S MASTER OF PAIN.

THE GREAT EXTERNAL REMEDY, For Sprains and Brusses, Burns and Scalds,

Rheumatic and Neuralgic Parns, Swel-lings, Stiff Joints, Paralysis, or Numbness of the Limbs, Pains in the Breast, Side or Back; Sore Thront. Tooth Ache, Frosted Feet. &c , &c., And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldom fails to dogood. It is harmless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it istant household friend, giving ease and relief a constant household friend, giving case and reflect just when needed. Keep it constantly on hand and it will save you many hours of pain and suf-fering. There is hardly a pain it will not eas.— There is hardly an accident that will occur where it will not be useful.

Should one of your family get burned or scalded cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prick-ling sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prick line ceases. Let the wet cloth stay on and price ling ceases. Let the wet cloth stay on for six or cight hours, after which apply some healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.—Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning.

For soreness of the throat rub it on until it produces a little sceness.

duces a little soreness.

For Croup use it in connection with the Cough
Syrup, by rubbing it on the chest.

For Rheumatism and all deep scated pains, if
the pain is not speedily removed by rubbing with
the hand, lay a cloth wet with the liquid over the
part affected, and pass a warm smoothing iron over
it.

For Pains in the Breast, Side or Back, the same For Tooth-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and

neeks with it.
For Frosted Feet, apply the "Master of Pain"

reely, and dry it in before the fire.

For Head ache rub it on the forchead.
It is called "Master of Pain." I did not give it his name—I don't like the name. When I first sufficient for a school of 300 pupils.

From the Rev. Samuel Yingling. BEDFORD, Nov. 3, 1860.

Mr. W. E. Sheiner—Dear Sir: Upon several occasions I have used your Balsamic Cough Syrup. in my family and also on one occasion myself—when worn by frequent preaching, and with the harviest results.

SAMUEL YINGLING. BEDFORD Nov. 3, 1860 W. E. SHRINER-SIR: As you are about to intro one your Balsamic Gough Syrup into our County. I will give you my experience with it, which you are at liberty to use it you think proper, some two years ago a box that was lost on the Pennsylvania Central R. R. found its way to my store. opened the box and found it to contain your Balsamic Cough Syrup. I had never heard of it at that time but a Mr. Aughin baugh from your state heppened to be present and said it was one of the best cough remedies in use and happening to need a caugh medicine in my family I determined to give it a trial, and so well pleased was I with its effects that I gave bottles of it to my friends all of whom agree with me in procouncing it the best cough remedy they have ever met with. We have used it for Coughs, Colds, Croup and Whooping Cough, and in every case it gave the most signal relict.—

ADAM FERGUSON.

I used in my family some of the Congh Syrup refered to by Mr. Ferguson, and fully concur in the opinion expressed by him.

Battle Greek, Mich., Dec. 21, 1858.

Prof. Wood: Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head.—A continual course of suffering through life having reduced me to a state of dependance, I have not have able to obtain stuff for gards prifter here. been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which may head has suffered extremely from cold. This induced me to pay Briggs & Horiges almost the bast cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of Angust last.—I have faithfully followed the directions and the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destifine of means to hurchese any more, I would ask thee if thee wouldst not be willing to send me an order on been able to obtain stuff for caps, neither have I thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are kind to the widow and the fatherless".

Thy friend, SUSANNAH KIRBY.

Ligonier Noble Co., Indiana, Feb. 5, 1859. PROF. O. J. Woon: Dear Sir :—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereat of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my amperance. cover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

nize me at all.

I at once made application to the most skillful
physicians in the country, but receiving no assurance from them that my har could again be restored, I was forced to become reconciled to my
tate, until, fortunately, in the latter part of the
year 1857, your Restorative was recommended to
me by a dispersit, as pering the most A label. Held me by a druggist, as being the most reliable. Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, have a lich coat of very soft black hair, which no

money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours,
A. M. LATTA,
