SHRINER'S MASTER OF PAIN. THE GREAT EXTERNAL REHEDY,

For Sprains and Bruises, Burns and Scalds, Rheumatic and Neuralgic Parns, Swel-lings, Stiff Joints, Paralysis, or Numbness of the Limbs, Pains

in the Breast, Side or Back; Scre Throat, Tooth Ache, Frosted Feet, &c., &c., And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldom fails to dogood. It is harmless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving ease and relief just when needed. Keep it constantly on hand and it will save you many hours of pain and suffering. There is hardly a pain it will not ease.—There is hardly an accident that will occur where it will not be useful.

Should one of your family get burned or scalded, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prick-

keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prickling sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prickling ceases. Let the wet cloth stay on for six or eight hours, after which apply some healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.—Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning.

For soreness of the throat rub it on until it produces a little soreness.

For Croup use it in connection with the Cough Syrup, by rubbing it on the chest.

For Rheumatism and all deep seated pains, if the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it.

For Pains in the Breast, Side or Back, the sam

For Pains in the Breast, Side or Back, the same may be done.

For Tooth-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and cheeks with it.

For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire.

For Head-ache rub it on the forehead.

It is called "Master of Pain." I did not give it this name—I don't like the name. When I first commenced making it it was without name or label. I made it aed sold it by the ounce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that name it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain.

Reader—try it—take a bottle with you—use it whenever occasion requires give it a fair trial.

W. M. SHRINER—Sir: As you are about to introduce your Balsamic Cough Syrup into our County. I will give you my experience with it, which you are at liberty to use if you think proper, some two years ago a box that was lost on the Pennsyl-vania Central Rt. R. found its way to my store. I opened the box and found it to contain your Balsamic Cough Syrup. I had never heard of it at that time but a Mr. Anghinbaugh from your state happened to be present and said it was one of the best cough remedies in use and happening to need a cawgh medicine in my family I determined to give it a trial, and so well pleased was I with its effects the trials, and so well pleased was I with its effects that I gave bottles of it to my friends all of whom agree with me in pronouncing it the best cough remedy they have ever met with. We have used it for Coughs, Colds, Creup and Whooping Cough, and in every case it gave the most signal relief.—Youfs trule.

I used in my family some of the Cough Syrup refered to by Mr. Ferguson, and fully concur in the opinion expressed by him.

Battle Creek, Mich., Dec. 21, 1858.

Prof. Wood: Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head.— A continual course of suffering through life having reduced me to a state of dependance, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last.— I have faithfully followed the directions and the bald spot is now covered with hair thick and black. bald spot is now covered with hair thick and black, though short, it is also coming in all over my head.
