SHRINER'S

MASTER OF PAIN. THE GREAT EXTERNAL REMEDY,

For Sprains and Bruises, Burns and Scalds, Rheumatic and Neuralgic Parns, Swel-lings, Stiff Joints, Paralysis, or Numhness of the Limbs, Pains

in the Breast, Side or Back; Scre Throat, Tooth Ache, Frosted Feet, &c., &c., And for the Relief of Pain Anywhere and Everywhere.

This is a most perfect preparation, and seldom fails to dogood. It is harraless in its effects but powerful to relieve Pain. If you use it once you will not likely be without it again. You will find it a constant household friend, giving ease and relief just when receded. Keep it constantly on hand cand it will save you many hours of pain and suffering. There is hardly a pain it will not ease.—There is hardly an accident that will occur where it will not be useful.

There is hardly an accident it will occur where it will not be useful.

Should one of your family get burned or scalded, cover the burned part with a cloth of several thicknesses wet with the "Master of Pain," and keep the cloth saturated with it. In a short time it will draw all the fire out. It will cause a prickling sensation—this is the fire coming out. Keep it wet with the "Master of Pain" until the pain and prickling ceases. Let the wet cloth stay ou for six or eight hours, after which apply some healing ointment or sweet oil. In nearly all cases of Pain or Soreness of the Chest, Throat, Side, Back, Spine, Limbs or Joints, it will give relief.—Rub it on freely with the hand or with a flannel cloth until the skin becomes heated and burning. For soreness of the throat rub it on until it produces a little soreness.

For Croup use it in connection with the Cough Syrup, by rubbing it on the chest.

For Rheumatism and all deep seated pains, if the pain is not speedily removed by rubbing with the hand, lay a cloth wet with the liquid over the part affected, and pass a warm smoothing iron over it.

For Pains in the Breast, Side or Back, the same

For Pains in the Breast, Side or Back, the same may be done.

For Tooth-ache, drop it on cotton, and apply it to the nerve of the tooth, also rub the gums and

heeks with it.
For Frosted Feet, apply the "Master of Pain"

For Frosted Feet, apply the "Master of Pain" freely, and dry it in before the fire.

For Head-ache rub it on the forehead.

It is called "Master of Pain." I did not give it this name—I don't like the name. When I first commenced making it it was without name or label. I made it and sold it by the ounce at my Drug Store. I had no idea then of making a business of it. Some who bought it called it Master of Pain, and by this name it became known for many miles round. And finally, when I had a label printed I was compelled to adopt the name, for by that uame it was known. After all, the name is not so very inappropriate. It is used to alleviate or remove pain. It is put on wherever there is pain. Sometimes it will cause pain, but the result always is freedom from pain.

always is freedom from pain.

Reader—try it—take a bottle with youwhenever occasion requires give it a fair trial.
